**God's Prophetic Spirit - Volume 1** Jonathan Jenkins, 2014-01-22 The Holy Spirit is one of the greatest blessings in the life of a Christian The Spirit's presence is treasured almost universally by Christians as the sweetest gift given to them by their Savior But would it surprise you to know that God spoke more often about the Holy Spirit to His saints in Israel before the death burial and resurrection of Jesus than He does to Christians in the New Testament While most people study the Holy Spirit from a New Testament perspective the foundation of the Bible's doctrine of His work was laid in the Old Testament God's Prophetic Spirit examines every mention of the Spirit's work with humanity from Genesis to Revelation This work is written with the belief that the answers to our questions about the Holy Spirit are found not outside the Bible but within the inspired word of God This study moves verse by verse through the entire Bible and builds a coherent understandable doctrine about the Holy Spirit The message from the clear concise lessons in Genesis to the grand statements of the New Testament which proclaim the Spirit's power in the church is unwavering The Holy Spirit has one work with and in humanity Prophecy Volume 1 of this three volume set explores the Holy Spirit's work with humanity from Genesis to the close of the earthly ministry of Jesus

Aurelius Augustine, 2019-08-27 One of Augustine's most famous works this book tells of the fall of the Roman Empire and the rise of the holy and righteous City of God from the ashes While building a utopia much like The Republic does Augustine uses sound theology to build the foundations of the cities morals and lawful authority Many theologies especially within the Catholic tradition owe their beginnings to the teachings of Augustine and this work is one of the starts of the field Now in larger print **The Existence and Attributes of God Vol. 1** Stephen Charnock, 2023-12-01 The Existence and Attributes of God is a significant theological book written in the 17th century by Stephen Charnock a Puritan preacher and theologian This edition of The Existence and Attributes of God Vol 1 is both current and legible with an eye catching new cover and professionally typeset manuscript Some stories are gruesome and bizarre while others softly creep up on you and pull you in

This massive dissertation is divided into two parts with each volume delving into essential aspects of God's nature and qualities. In the first volume Charnock conducts a thorough analysis of God's existence. To establish the existence of an all-powerful everlasting and transcendent Creator, he digs into philosophical arguments, historical viewpoints, and scripture allusions. The thorough examination of Charnock addresses problems about the origin of the universe and the requirement of a divine person. Throughout the book, Charnock's language is distinguished by a great reverence for God and a commitment to logical religion investigation. He provides theological arguments in a systematic and logical manner that is understandable to both intellectuals and laypeople.

**The Holy Spirit -- In Biblical Teaching, Through the Centuries, and Today**

Anthony C. Thiselton, 2013-06 The book is divided into three parts. Part One provides a thematic analysis and exegetical commentary on all the relevant biblical and cognate literature, including Josephus, Philo, and the Mishnah. Part Two investigates the thinking of key Christian theologians on the Holy Spirit from the Apostolic Fathers to eighteenth-century authors such as John Wesley and Jonathan Edwards. Part Three examines more recent writings on the Spirit from the nineteenth century onwards, including major systematic theologians such as Schleiermacher, Barth, and Moltmann, as well as biblical scholars such as James D. G. Dunn, Gordon Fee, and Gerd Theissen. Thiselton concludes the entire study by identifying seven fundamental themes and calling for greater dialogue between mainstream scholarship and contemporary leaders of the Pentecostal and Renewal movements.

**The Triune God and the Charismatic Movement**

Jim Purves, 2007-01-01 All emotion and no theology. Or a fundamental challenge to reappraise and realign our Trinitarian theology in the light of Christian experience. This study of Charismatic renewal as it found expression within Scotland at the end of the twentieth century evaluates the use of Patristic, Reformed, and contemporary models of the Trinity in explaining the workings of the Holy Spirit.

*God, Revelation and Authority: God Who Speaks and Shows (Vol. 4)* Carl F. H. Henry, 1999-01-25 Part 4 in a monumental six-volume set that presents an undeniable case for the revealed authority of God to a generation that has forgotten who he is and what he has done.

**Feasting on the Word: Year B, Volume 1**

David L. Bartlett, Barbara Brown Taylor, 2008-06-11 With this new lectionary commentary series Westminster John Knox offers the most extensive resource for preaching on the market today. When complete, the twelve volumes of the series will cover all the Sundays in the three-year lectionary cycle along with movable occasions such as Christmas Day, Epiphany, Holy Week, and All Saints Day. For each lectionary text, preachers will find four brief essays, one each on the theological, pastoral, exegetical, and homiletical challenges of the text. This gives preachers sixteen different approaches to the proclamation of the Word on any given occasion. The editors and contributors to this series are world-class scholars, pastors, and writers representing a variety of denominations and traditions. And while the twelve volumes of the series will follow the pattern of the Revised Common Lectionary, each volume will contain an index of biblical passages so that nonlectionary preachers as well as teachers and students may make use of its content.

*The Prophetic Responsibility* Matthew L. Stevenson III, 2019-10-01 God speaks every day. You have a

responsibility to listen The church is in a critical season There are unprecedented crises in every segment of the world and ungodly opinions and philosophies abound The war over truth is raging as the idea of maintaining solidarity with Jesus Christ is growing increasingly unpopular Since biblical days God has used the prophetic voice during times of crisis darkness and disaster to speak into the earth Knowing and partnering with the thoughts words plans and actions of God are not a path reserved for a select few Being prophetic should be a priority to all Christians Leaving the prophetic responsibility to those walking in the office of a prophet is not biblical God wants to unleash an unprecedented outpouring of His Spirit in the earth and bring in a record setting harvest of souls **The words I speak, they are Spirit and they are life Vol II...
