Gods Ecstasy The Creation Of A Self Creating World:

God's Ecstasy Beatrice Bruteau, 1997 This book captures the beauty and complexity of God's evolving manifestation through vignettes from physics biology chemistry mathematics economics and politics This book will inspire us to be co-creators with God in the process of Christogenesis the growth of the ever greater Christ Bede Griffiths' Images of God Beatrice Green, 2022-08-19 This book reveals how the images Bede Griffiths OSB Cam used for God are richly embedded with concepts ancient and new making them especially relevant for our current times It prompts insight into the great deposit of wisdom and scholarship that was his source and will benefit those interested in religious imagery gender equality monastic life interfaith dialogue evolution of consciousness practical theology and spirituality and integral thought Led by Christ the Golden String Griffiths made the sea change from Great Britain to India promoting the marriage of East and West the essential value of the feminine contemplative prayer interreligious dialogue and integral life His initiation to Christian sannyasa and faith in the evolutionary process reflect his openness to change and to grow and highlight this great sage's masterful use of images grounded in his motto to always go beyond *Awakening To Sacred Presence* Doreen D. Kostynuik, 2023-11-24 We are born into the magnificent invitation to become who and what we are writes Doreen D. Kostynuik From a tumultuous childhood to nursing school to the awakening and arrival into her spiritual calling this book reflects the author's lifelong love of reading writing praying conversing and journeying toward wisdom Lucidly and beautifully written *Awakening to Sacred Presence* weaves a personal and spiritual narrative from the author's eighty years living part time as a Byzantine hermit and working as a spiritual director community leader and therapist Within these pages lies the gentle and humble invitation to readers to awaken to Sacred Presence around and within them to claim and exercise their own wisdom and actualize their gifts as offerings to the world Alongside poetry prayer journal entries storytelling and personal anecdotes Kostynuik provides exercises and insight to develop psychic muscles trusting inner knowing embracing aloneness moving through grief and extending forgiveness among other lessons At the heart of this book is a firm grounding in and insistence on being present to life and its teachings and being available to possibility The deceptively simple lessons of *Awakening to Sacred Presence* encourage readers to arrive in the here and now to surrender to the revelation of possibility and risk knowing themselves all that they are no more and no less Giving the Church Michael Moynagh, 2024-05-30 The nucleus of the church's vocation is to join the Spirit in giving communion in Christ to others in the form of new Christian communities for the benefit of the world But can the church be a welcome gift In *Giving the Church* leading ecclesiologist Michael Moynagh draws together recent thinking from the worlds of ecclesiology and missiology with significant sociological work on the idea of gift to provide a much needed theological rationale for some of the key missiological and ecclesiological movements in today's church Part 1 reworks some of the big themes in ecclesiology from this giving perspective the nature of the church the four marks the visible hidden church and inclusion exclusion Part 2 meanwhile draws on the extensive

literature on gifts to offer an ethical framework for giving the church to others and uses this framework to provide fresh readings of liberationist herald and eucharistic models of the church It concludes by arguing that giving the church away can be a route to making the church a more attractive gift *Spiritual Direction* Ruffing, Janet K., RSM,2000 Explores issues

that arise in the advanced stages of spiritual direction from both a practical and theoretical perspective **Life as Pilgrimage** David Moffett-Moore,2013-05-29 How deep are the roots of pilgrimage in Christianity Can we find new meaning and balance in modern life by following the path of pilgrims of ancient times In true Celtic fashion Rev Dr David Moffett Moore views life as a celebration to be shared and a pilgrimage to be explored tracing his roots to the O Mordha clan of ancient Ireland and the McQueen s and MacLean s of the Scottish highlands In *Life as Pilgrimage* Dr Moffett Moore offers us the image of pilgrimage as a basis for spiritual health Using the Peregrine falcon as an archetype for pilgrimage this volume explores the roots of our ancient past to discover meaning for our modern lives Celtic pilgrimage is about the journey rather than the destination life is a pilgrimage from the place of our birthing to the place of our rising This book will be an invaluable aid in finding your way in a new and more powerful spiritual journey The second edition is expanded and revised

Reflections on The Moral & Spiritual Crisis in Education David E. Purpel,William M. McLaurin,2004 This book takes a sharply critical view of contemporary society with a searing indictment of our morally and intellectually bankrupt educational system Uniquely the book contains both the original version of David Purpel s highly influential *Moral and Spiritual Crisis in*

Education first published in 1989 as well as an updated critique of that work reflections from our current times of growing despair about the directions of education and the nation Reflections on the Moral and Spiritual Crisis in Education focuses on the possibility and necessity of generating hope through the redemptive and energizing power of the human spirit **Jesus Today** Albert Nolan, 2006 *Evolutionary Theology* Michael Anthony Abril, 2024-08-27 The last century witnessed an explosion of theologies born out of the conviction that the science of evolution can and must contribute to our understandings of God humanity technology suffering sin and the natural world Even today a sense of development continues to shape contemporary understandings of not only our origins but also our place in the world now and in the future Evolutionary theology s popularity continues to accelerate but the conversation has lacked a critical comprehensive and accessible introduction to this field until now Evolutionary Theology provides a clear critical and concise synthesis of the most influential viewpoints in the field from its origins in the eighteenth century to its maturation in the twenty first Topics include scientific contributions philosophical ideas dogmatic debates and the development of process theology Abril provides a springboard for researchers teachers and college students to critically engage the existing literature and develop new constructive ideas Evolutionary Theology is accessible to students is helpful to scholars and includes a wide range of perspectives from science philosophy and theology Catholic and Protestant It illustrates how integrating faith with science as an inescapable and crucial dimension of modern life leads to both fruitful discoveries and important challenges Journey of the Universe Brian Thomas Swimme, Mary Evelyn Tucker, 2011-06-28 The basis for the Emmy winning film A wonderful highly readable account of the history of the universe from the Big Bang through the present moment Thomas Lovejoy University Professor in Environmental Science and Policy George Mason University Through the astonishing combined achievements of natural scientists worldwide we now have a detailed account of how galaxies and stars planets and living organisms human beings and human consciousness came to be And yet we thirst for answers to questions that have haunted humanity from the very beginning What is our place in the 14 billion year history of the universe What roles do we play in Earth s history How do we connect with the intricate web of life on Earth In Journey of the Universe Brian Thomas Swimme and Mary Evelyn Tucker tell the epic story of the universe from an inspired new perspective weaving the findings of modern science together with enduring wisdom found in the humanistic traditions of the West China India and indigenous peoples The authors explore cosmic evolution as a profoundly wondrous process based on creativity connection and interdependence and they envision an unprecedented opportunity for the world s people to address the daunting ecological and social challenges of our times Journey of the Universe transforms how we understand our origins and envision our future Though a little book it tells a big story one that inspires hope for a way in which Earth and its human civilizations could flourish together What s most striking about Swimme and Tucker s work is a simple but beautiful assumption a cosmological orientation opens the human mind to wonder gratitude humility and creativity Orion **Show Me Your Way** Rabbi Howard

A. Addison, 2012-11-19 An ancient spiritual practice rediscovered and re imagined for today This fascinating introduction to an ancient spiritual practice is for all of us who are searching for fresh spiritual insight People of all faiths and even those with no particular religious involvement are discovering spiritual direction Traditionally identified with Christianity but also resembling the relationship between teacher and student in Buddhism sheikh and disciple in Islam and rebbe and Hasid in Judaism spiritual direction is a distinct kind of relationship for enhancing spiritual growth And its renewed popularity has led to a now uniquely accessible modern phenomenon interfaith spiritual direction Howard Addison presents personal accounts from the lives of people representing a broad spectrum of religious and spiritual traditions to show how we can find guidance and inspiration from people of other faiths without ever leaving our own This one of a kind guide explores Where to find spiritual guidance within your own faith community or beyond it How spiritual direction can help you even if you come from no formal religious background Why and when it may be appropriate to seek a spiritual guide from a faith other than your own What interfaith spiritual direction means for the future of religion and spirituality in our world **The Holy Trinity and the Law of Three**

Cynthia Bourgeault, 2013-07-09 Just as she s done in her previous books Cynthia Bourgeault asks us to take a look at an idea from traditional Christianity this time the formula of Father Son and Holy Spirit as though we re looking at it for the first time And as usual she reveals it to be something we hadn t expected at all She finds in the idea of the Holy Trinity a striking vision of the nature of reality What she claims in a nutshell is that embedded within this theological formula that Christians recite mostly on autopilot lies a powerful metaphysical principle that could change our understanding of Christianity and give us the tools so long and so sorely needed to reunite our shattered cosmology rekindle our visionary imagination and cooperate consciously with the manifestation of Jesus s Kingdom of Heaven here on earth She looks to the history of Christian theology to her own years of contemplative practice and to the ideas of G I Gurdjieff Her tone is as ever as accessible as it is compelling and it s a wild ride I will do my best to make the ride as smooth as possible she says but in the end my commitment is to getting there because I know beyond all personal doubt that there is indeed a ham radio concealed inside this Trinitarian tea cupboard And in the midst of this long winter of our Christian discontent when spiritual imagination and boldness are at an all time low and the church itself hovers at the edge of demise for lack of an animating vision perhaps now more than ever the time is ripe to remove the packing boards from this tea cupboard and release its contents *The Other Side of Nothingness*

Beverly J. Lanzetta, 2001-02-22 From the mystic s experience of nothingness and the desert *The Other Side of Nothingness* offers a theology of humility sensitive to religious pluralism and to the pain of spiritual oppression With a passionate concern for contemporary interreligious issues Beverly J Lanzetta provides insight into how mystical consciousness overturns claims of dogmatic truth and prepares the self to experience the radical openness of divinity The work draws on a variety of Christian mystical texts including those of Meister Eckhart Gregory of Nyssa Pseudo Dionysius Saint Teresa of Avila Saint Bonaventure and the anonymous author of *The Cloud of Unknowing* while

also making reference to Buddhism Judaism Islam and Hinduism and the thought of contemporary social mystics such as Heschel Gandhi Merton Thurman and Day Lanzetta illustrates how the annihilatory mystical experience draws the seeker to a place beyond a tradition's self understanding to new dimensions of the sacred and in some cases to new revelatory paradigms It is here that she provokes our thought in her statement that the divine nature is itself pluralistic non absolute and continually giving birth to new traditions By showing how nothingness functions in mystical experience as a catalyst for the liberation of our hearts we are brought to a vision of theology that is nonviolent and inclusive of all creation

The Universal Christ Richard Rohr, 2019-03-05 NEW YORK TIMES BESTSELLER From one of the world's most influential spiritual thinkers a long awaited book exploring what it means that Jesus was called Christ and how this forgotten truth can restore hope and meaning to our lives Anyone who strives to put their faith into action will find encouragement and inspiration in the pages of this book Melinda Gates In his decades as a globally recognized teacher Richard Rohr has helped millions realize what is at stake in matters of faith and spirituality Yet Rohr has never written on the most perennially talked about topic in Christianity Jesus Most know who Jesus was but who was Christ Is the word simply Jesus's last name Too often Rohr writes our understandings have been limited by culture religious debate and the human tendency to put ourselves at the center Drawing on scripture history and spiritual practice Rohr articulates a transformative view of Jesus Christ as a portrait of God's constant unfolding work in the world God loves things by becoming them he writes and Jesus's life was meant to declare that humanity has never been separate from God except by its own negative choice When we recover this fundamental truth faith becomes less about proving Jesus was God and more about learning to recognize the Creator's presence all around us and in everyone we meet Thought provoking practical and full of deep hope and vision *The Universal Christ* is a landmark book from one of our most beloved spiritual writers and an invitation to contemplate how God liberates and loves all that is

Theologies of Creation Thomas Jay Oord, 2014-10-02 Humans have long wondered about the origin of the universe And such questions are especially alive today as physicists offer metaphysical theories to account for the emergence

of creation Theists have attributed the universe's origin to divine activity and many have said God created something from absolute nothingness The venerable doctrine of creatio ex nihilo especially emphasizes God's initial creating activity Some contributors to this book explore new reasons creatio ex nihilo should continue to be embraced today But other contributors question the viability of creation from nothing and offer alternative initial creation options in its place These new alternatives explore a variety of options in light of recent scientific work new biblical scholarship and both new and old theological traditions

Love's Oneing Kerrie Hide, 2022-11-08 Grounded in Christian love mysticism Love's Oneing gives voice to the luminous consciousness that awakens from within our oneness in God in contemplation With great sensitivity the book offers nuanced insight into the marriage of kenosis and desire in contemplation through the rich tapestry of writings from nine mystics Julian of Norwich the Cloud of Unknowing author Meister Eckhart Mechthild of Magdeburg Clare of Assisi John of the Cross Teilhard de Chardin Beatrice Bruteau and Ilia Delio With the delicate eye of a spiritual director immersed in mystical literature Kerrie Hide situates these mystical teachings within contemplative prayer whilst offering a scholarly exploration of contemplative practice to embody the insights Deeply grounded in traditional and contemporary mystical classics Hide celebrates how the Christian mystical tradition lays a foundation for the evolutionary growth of communion consciousness and the insights of quantum science highlighting key moments in contemplation that when surrendered into open into divine love Born of intellectual reflection lived experience and contemplative wisdom Love's Oneing makes a unique contribution to the existing literature on contemplation at a time when the recovery of the mystical dimension of life is crucial for the future of our planet in this climate crisis moment

[The Oxford Handbook of Religion and Science](#) Philip Clayton, Zachary Simpson, 2006 The field of science and religion is exploding in popularity among both academics and the reading public This is a comprehensive and authoritative introduction to the debate written by the leading experts yet accessible to the general reader
