Thank You, God Milly Palmeri,2020-02-21 Thank You God is not a fact book it is a true version that I am sharing so that this generation improves and the future generation grows secure happy and productive We usually ask ourselves If God is alive or just a fictitious character Let me tell you I am living witness that God Jesus and Mary are real I saw them in The Good Shepherd Church in Holbrook New York and also when I was sleeping I had my own journey to visiting them Many other authors of books write stimulating phrases and quotations but they do not explain the exact source of different changes that have occurred in the life and body of a human being All questions that do not have correct answers lead people to a state of nervousness anxiety fear and fall easy into panic When they enter into a panic state their life will begin to fall apart and unfortunately many lose their lives All this happens to them because of lack of correct information of how the mind and body function Remember we are pieces of God

so we are connecting directly His power by the right size of our brain Only human beings have eternal life nobody in the entire universe has it Jesus taught us to forgive love and help Living on Earth is just an apprenticeship of this Well heaven exists and there will be only those who learned and practice what Jesus taught us I knew hell and I did not feel fear The limbo shocked me and when I got in heaven I felt so good and I wanted to stay there God My children has been destroyed because is not knowledge It is the reason why the book Thank You God was written so that everyone can reach a flourishing life
