The Glory to Come It's All True! David W. LaFreniere, 2015-03-31 This book is about Gods truth reveled Its about Gods revelation promises faithfulness Gods living word given to us In this book I cannot name certain brothers or sisters That are involved in these stories **Expository Preparation** Benjamin G. Campbell, 2021-09-30 For those in local church ministry it is often a pressing matter to find the time to take care of their own souls More often than not pastors tend to prioritize sermon preparation and delivery as their primary tasks when actually their first task should be their own spiritual health It is for this purpose that this book is written to encourage pastors to soul care before sermon preparation If pastors will prepare their own hearts the sermon will fall in line and permeate the hearts of the listeners World Religions and Cults Volume 3 Bodie Hodge, Roger Patterson, 2016-11-30 This final book in the series focuses on the atheistic or humanistic type of religions It would be one of the most valuable for the church in the Western World where anti god and pro evolution religions are beginning to explode for it was written to refute those religions and show how they fail Unlike most books on world religions this title dives into the secular humanistic religions The book starts with God's Word as the absolute authority In doing so God becomes our guide to refute false religions Humanistic religions are all around us and we need to be able to spot their tenets and oppose them instead of allowing them to subtly infiltrate our Christianity and undermine us from withinWe need to know how to refute these humanistic religionsWe need to know how to effectively present the gospel to people who have been deceived by humanistic religions Rightly Dividing the Word William W. (Bill) Parker, 2016-08-25 Christ crucified is the true key to unlocking the truth of God's Word He said as much when He confronted the Pharisees Search the Scriptures for in them ye think ye have eternal life and THEY ARE THEY WHICH TESTIFY OF ME John 5 39 That being said we must also understand that God has given His people minds and the power of reasoning so that when we are driven and directed by the Holy Spirit to search for truth in His written Word we must diligently and responsibly use proper rules for interpreting the Bible The purpose of this book is to list define and give examples for what I believe to be the best rules of interpreting the Bible My desire and prayer is that the Lord will use these things for His glory the salvation of sinners and the edification of His children May the Lord use this as a tool to guide those who truly desire to read and study His Word Thoughts and

Heart and Home Truths, Being Self-musings Upon the Divine Will Richard Whittingham (Jr.), 1856 Way Thomas Frazier, 2022-02-18 When Jesus was standing before Pilate to receive his sentence to be crucified Pilate asked Jesus What is truth Many people are asking that same question What is the truth about God's promise of prosperity to man Although God called me into the ministry at age seventeen with a Bible college education and led churches in the senior pastor position I feel I have only scratched the surface in knowing God s word completely But this book is what God gave me after many years of study and prayer God s promise of prosperity is doctrine therefore it is for everyone who follows God s recipe Jesus purchased them for us when he died and rose from the grave God established us in Christ Jesus and all the promises of God became not yes and no but yes and amen to those who believe To believe is to make a mental accent and living an obedient life to the law of Christ Faith works by love And love is shed abroad in our hearts by the Holy Spirit This is a special kind of love of a supernatural that enables us to do what we cannot do in our strength Therefore all can meet God s requirement for prosperity in God s way It is for everyone who believes Eternal Truth Rear Admiral Joseph H. Miller, 2015-09-25 We must discover the real world All generations are struggling for truth Truth is our heritage and gift to the next generation so we must support education for all people Some generations have essentially halted progress and others are making progress only because of a few In our world we must proclaim religious and free speech The concept of human liberty is more than 4 000 years old and is repeated by Christ Himself We must dare to read think speak and write the truth Truth is not only violated by falsehood but also by silence Ignorance produces the work of monsters Ignorance is not bliss it is oblivion Ignorance is sin not innocence Man is what he believes coated by either truth or ignorance Truth demands a basic standard of living for the masses to ensure security and freedom for their development Man is master of his fate but he must seek the truth Truth is on the march and nothing can stop it God's Chosen G. Understanding Spiritual Warfare is a book that inspires encourages and teaches Christians to effectively manage warfare and live victoriously for Christ It offers Christians a fresh look at the basis of putting on God's full armor and learning to use the means God affords namely His strength and mighty power As Believers prepare to fight triumphantly against evil and wicked forces we come to an understanding of the challenge purpose and outcome of spiritual warfare Putting on God's armor and standing firm in Him amply equips us to fight offensively and defensively Knowing Jesus fixed the fight in our favor produces confidence to oppose the enemy and remain faithful to God Through conscious engagement in this fight we win against all odds In 2005 during prayer the Holy Spirit inspired me to write this book on spiritual warfare I was going through a precarious time and as usual I sought God in prayer and study of the Word The Holy Spirit led me to Ephesians 6 10 18 As I studied and meditated God moved me to begin writing on the subject of warfare During research and study I discovered there are not enough books addressing this phase of our journey Therefore I saw the need to press through varied attacks to produce this important work Heart and Home Truths, being Self-musings upon the Divine Will Richard WHITTINGHAM (of New York.),1855 THE TRUTH OF THE ORIGIN OF THE UNIVERSE Sabrie Soloman, 2024-06-12 In a world filled with scientific explanations and theories it can be easy to lose sight of the ultimate truth of our existence The truth is that the universe with all its intricate complexities did not come into being by mere chance or a random explosion It was carefully designed and orchestrated by a higher power a Creator who holds everything together When we look up at the night sky and see the countless stars and galaxies stretching out into infinity we cannot help but be in awe of the sheer magnitude and beauty of it all The heavens declare the glory of God as it says in the Bible and remind us of the greatness of the one who made it all The theory of the Big Bang which posits that the universe began as a singular point and expanded over billions of years is a flawed explanation for the origin of the universe It fails to account for the intricate design and order that we see in the cosmos as well as the existence of life on earth The marvel of our planet Earth with its perfect conditions for sustaining life points to a Creator who had a purpose and a plan in mind when he made it The countless galaxies and stars that we observe in the universe are a testament to the power and creativity of God They show us that we are part of a vast and wondrous creation one that was made by an intelligent designer who had a vision for it all The theory of evolution put forth by Charles Darwin is another flawed explanation for the diversity of life on earth It fails to explain the intricate complexities of living organisms and their unique design as well as the existence of the human soul It is clear that we are not the product of blind chance or random mutations but rather the handiwork of a loving and powerful Creator The truth of the origin of the universe points to a Creator who holds everything together and has a purpose and a plan for it all God stretches out the heavens and allows light to reach us here on earth showing us his care and provision for his creation We are not the product of random chance or blind evolution but rather the cherished creation of a loving God who made us in his image Let us never forget the marvel and wonder of the universe and the greatness of the one who made it all Wilford's Microcosm
