The Golden Wolf Saga Linnea Hartsuyker, 2019-08-27 One of Open Letter's Best Books of 2019 The fates of Ragnvald and

his sister Svanhild unfold to their stunning conclusion in this riveting final volume in The Golden Wolf Saga a trilogy that conjures the ancient world with the gripping detail thrilling action and vivid historical elements of Game of Thrones and Outlander Ragnvald has long held to his vision of King Harald as a golden wolf who will bring peace to Norway as its conqueror even though he knows that Harald's success will eventually mean his own doom He is grateful to have his beloved sister the fierce and independent Svanhild once more at his side to help keep their kingdom secure Free from the evil husband who used her she is now one of Harald's many wives While Svanhold is happy to be reunited with her beloved brother and enjoys more freedom than ever before she is restless and lonely When an old enemy of Ragnvald's kidnaps his niece Freydis his sister follows the daughter she has neglected to Iceland where an old love awaits This strange new land offers a life far different from what each has left behind as well as unexpected challenges and choices Ragnvald too must contend with change His sons the gifted Einar the princely Ivar and the adventurous Rolli are no longer children Harald's heirs have also grown up Stepping back from his duties as king he watches as his sons pursue their own ambitions But Norway may no longer be large enough for so many would be kings Now in their twilight years these venerable men whose lives have been shaped by war must face another battle that awaits A growing rebellion pits Ragnvald and his sons against enemies old and new and a looming tragedy threatens to divide the hardened warrior from Harald and all who care for him Across the sea Svanhild too wrestles with a painful decision risking the dissolution of her fragile new family as she desperately tries to save it Yet as old heroes fall new heroes arise For years Ragnvald and Svanhild pursued the destinies bestowed by their ancient gods Though the journey has cost them much their sacrifices and dreams will be honored by the generations that follow beginning with Freydis and Einar Emerging from their parents long shadows they have begun to carry on the family's legacy while pursuing their own glorious fates This compelling conclusion to the Golden Wolf trilogy recreates Viking age Scandinavia in all its danger passion power and glory a world of brutality and myth loyalty and betrayal where shifting alliances and vengeance can build kingdoms and can tear them down
