Good Omens Neil Gaiman, Terry Pratchett, 2006-11-28 According to The Nice and Accurate Prophecies of Agnes Nutter Witch the world's only completely accurate book of prophecies written in 1655 before she exploded the world will end on a Saturday Next Saturday in fact Just before dinner So the armies of Good and Evil are amassing Atlantis is rising frogs are falling tempers are flaring Everything appears to be going according to Divine Plan Except a somewhat fussy angel and a fast living demon both of whom have lived amongst Earth's mortals since The Beginning and have grown rather fond of the lifestyle are not actually looking forward to the coming Rapture And someone seems to have misplaced the Antichrist

Good Omens Terry Pratchett, Neil Gaiman, 1991-08 Taking a cynical look at the horror genre this book features Crowley and Aziraphale two friends who attempt to prevent the prophesised Armageddon When the Antichrist is born they divert him from his original home at the American Embassy to Tadfield where he grows into an unkempt individual **The Illustrated**

revered national deity Nuggan has decreed that female ownership of a business is an Abomination with among others oysters rocks and the color blue To keep The Duchess in the family Polly must find her missing sibling So she cuts off her hair dons masculine garb and sets out to join him in this man's army Despite her rapid mastery of belching scratching and other macho habits and aided by a well placed pair of socks Polly is afraid that someone will immediately see through her disguise a fear that proves groundless when the recruiting officer the legendary and seemingly ageless Sergeant Jackrum accepts her without question Or perhaps the sergeant is simply too desperate for fresh cannon fodder to discriminate which would explain why a vampire a troll a zombie a religious fanatic and two uncommonly close friends are also eagerly welcomed into the fighting fold But marching off with little read no training Polly now called Oliver finds herself wondering about the myriad peculiarities of her new brothers in arms It would appear that Polly Ozzer Perks is not the only grunt with a secret There is no time to dwell on such matters however Duty calls The battlefield beckons There's a tide to be turned And sometimes in war as in everything else the best man for the job is a woman

Moving Pictures Terry Pratchett, 2005 Holy wood is a different sort of place People act differently here Everywhere else the most important things are gods or money or cattle Here the most important thing is to be important People might say that reality is a quality that things possess in the same way that they possess weight Sadly alchemists never really held with such a quaint notion They think that they can change reality shape it to their own purpose Imagine then the damage that could be wrought if they get their hands on the ultimate alchemy the invention of motion pictures the greatest making of illusions It may be a triumph of universe shaking proportions It's either that or they're about to unlock the dark terrible secret of the Holy Wood hills by mistake Hogfather Terry Pratchett, 1997 Fantasy roman

Night Watch Terry Pratchett, 2003-09-30 One moment Sir Sam Vimes is in his old patrolman form chasing a sweet talking psychopath across the rooftops of Ankh Morpork The next he's lying naked in the street having been sent back thirty years courtesy of a group of time manipulating monks who won't leave well enough alone This Discworld is a darker place that Vimes remembers too well three decades before his title fortune beloved wife and impending first child Worse still the murderer he's pursuing has been transported back also Worst of all it's the eve of a fabled street rebellion that needlessly destroyed more than a few good and not so good men Sam Vimes knows his duty and by changing history he might just save some worthwhile necks though it could cost him his own personal future Plus there's a chance to steer a novice watchman straight and teach him a valuable thing or three about policing an impressionable young copper named Sam Vimes
