Rules for Dating a Married Man Guy Butler, 2015-05-04 Women who are involved in an affair with a married man often have to walk a balanced tightrope between satisfying their own needs as well as those of the man with whom they re involved For most women these affairs usually turn out to be nerve wracking experiences meandering among emotions such as excitement thrill and the fears of rejection and abandonment This is primarily because these women often don t understand what her partner truly wants from her emotionally physically or even psychologically The biggest problem in such an arrangement is that one person often holds more psychological power than the other and it s usually the married one This particular imbalance doesn t typically exist to such a tangible degree in conventional relationships where both parties involved have equal amounts to lose or gain It is this imbalance which often leaves one or both parties confused about their roles and the dynamics in the affair The purpose of this book is to help you figure out exactly what your man wants and needs from you and to help you to meanwhile enjoy your life while maintaining your own sense of integrity and self esteem So for all of you ladies who enjoy walking the spicier road of life this book will not only help you fulfill your desire of becoming the perfect mate to your married companion but it will also help you avoid the pitfalls that usually accompany such relationships Note While this book may be targeted primarily toward women in heterosexual relationships the lessons within it are equally applicable to men as well irrespective of your sexual orientation
