Goodbye Pink Room Roses Story:

Goodbye Pink Room Jane Grayshon, 2014 Rose grew up in a family where she felt inferior to her brothers and afraid of her mother who warned her fiercely about men who hid in bushes and did unspeakable things to children But Uncle George made her feel safe loved and wanted Her whole family trusted him so when he wanted to take Rose off for special treats her parents were delighted And so was Rose but she got puzzled when he wanted to take photographs of her in the nude Soon he was warning her that she had been very naughty and he could get her into a lot of trouble so she must keep quiet Knowing she was special to him she knew he wouldn't want her to get hurt even though he did hurt her sometimes And besides Jesus was watching over her and Uncle George was a big part of church life So what he was doing must be all right mustn't it and if it wasn't Jesus would stop him wouldn't he

Farewell to Prague Desmond Hogan, 2013-06-18 Following a crippling depression and institutionalization the writer Desmond wanders from his native Dublin around an increasingly unrecognizable Europe and as far as the southern United States assembling a patchwork of small stories conversations love affairs memories regrets and confrontations the labyrinth of stories of people whose lives you touch so that your mind becomes like a polychromatic Irish pub Whether a series of tragic postcards a cubist novel or a memoir shorn of its connective tissue A Farewell to Prague stands as Desmond Hogan s greatest achievement a catalog of the moments that justify a life or shine a light on its emptiness

Farewell, Four Waters Kate McCord, 2014-10-01 Day 14 It should have been the beginning All she needed were stamps and signatures Marie and her translator stood in the government offices in Kabul Afghanistan to complete the paperwork for her new literacy project The women in her home town the northern village of Shehktan would learn to read But a spattering of gun shots exploded and an aid worker crumpled Executed On the streets of Kabul Just blocks from the guesthouse Sending shockwaves through the community The foreign personnel assessed their options and some including Marie s closest friend Carolyn chose to leave the country Marie and others faced the cost and elected to press forward But the execution of the lone aid worker was just the beginning When she returned home to her Afghan friends in Shehktan to begin classes she felt eyes watching her piercing through her scarf as she walked the streets lined in mud brick walls And in the end It took only 14 days for her project her Afghan home her community all of it to evaporate in an eruption of dust grief and loss Betrayed by someone she trusted Caught in a feud she knew nothing about and having loved people on both sides Marie struggled for the answer How could God be present here working here in the soul of Afghanistan
