

Each participant also receives their own Master Crystal, a manual and certificate.

Financial Investment £252. A deposit of £100 is required to secure a place.

Payments can be made in cash or via Paypal using the Paypal button at the top of the page.

Don't forget, that if you are being guided to do an attunement then ask your angels for help with the financial costs. Students in the past have done this and it's amazing to hear their stories of how the angels have provided the time and the means to allow them to go on to do attunements.

The purpose of the 3rd & 4th Degree Angelic Reiki Attunement
The purpose of the workshop is to initiate the participant into the MASTER energy of this system. This will happen in the most perfect way for each participant.

The name Reiki Master has been sometimes misunderstood. In our Angelic Reiki to receive an attunement into Master energy is first and foremost a personal process. Your Soul has guided you to a place where you can receive the energetic tool in order to accept your own Mastership. This is not about being spiritually 'good' or 'perfect', a ready judgement that humans make. It is about accepting and recognising that we are each totally the creator of our lives and accepting this Mastership with the personal responsibility and self-awareness that this entails. This workshop opens the door to leaving behind all victimhood and sense of living life as a result of some external effect.

This workshop is a gift for anyone who wants to merge more deeply with the Angelic Kingdom of Light, your own soul family (also known as your MONAD or I AM PRESENCE) and to channel Divine Healing Energy from SOURCE/GOD.

Never Forget! Robert R Owens,2002 **Divine Callings** Richard N. Pitt,2012-02 One of the unique aspects of the religious profession is the high percentage of those who claim to be called by God to do their work This call is particularly important within African American Christian traditions Divine Callings offers a rare sociological examination of this markedly understudied phenomenon within black ministry Richard N Pitt draws on over 100 in depth interviews with Black Pentecostal ministers in the Church of God in Christ both those ordained and licensed and those aspiring to examine how these men and women experience and pursue the call Viewing divine calling as much as a social process as it is a spiritual one Pitt delves into the personal stories of these individuals to explore their work as active agents in the process of fulfilling their calling In some cases those called cannot find pastoral work due to gender discrimination lack of clergy positions and educational deficiencies Pitt looks specifically at how those who have not obtained clergy positions understand their call exploring the influences of psychological experience the congregational acceptance of their call and their response to the training process He emphasizes how those called reconceptualize clericalism in terms of who can be called how that call has to be certified and what those called are meant to do offering insight into how social actors adjust to structural constraints **The**

Mason in the Age of Jim Crow** Elton H. Weaver

III,2020-11-17 Bishop Charles H Mason in the Age of Jim Crow profiles the life and career of Charles Harrison Mason Mason was the founder of the Church of God in Christ COGIC which from its Memphis roots grew into the most significant black Pentecostal denomination in the United States with profound theological and political ramifications for poor and working class black Memphians Bishop Charles H Mason in the Age of Jim Crow is grounded in the history of the Jim Crow era The book traces the origins of COGIC in Memphis it reveals just how Mason s new black Pentecostal denomination grew gained social and political power and earned a permanent place in Memphis s black religious pantheon This book tells how a son of

slaves transformed a rural migrant movement into an urban phenomenon how unusual religious demonstrations exemplified infrapolitical religious protests and how these rituals of resistance changed black lives and helped strengthen and sustain blacks fighting for freedom in segregated Memphis The author reveals why Charles H Mason was an important pre civil rights religious leader who laid the groundwork for integrated churches **Flaming?** Alisha Lola Jones,2020-06-09 Male centered theology a dearth of men in the pews and an overrepresentation of queer males in music ministry these elements coexist within the spaces of historically black Protestant churches creating an atmosphere where simultaneous heteropatriarchy and real masculinity anxieties archetypes of the alpha male preacher the effeminate choir director and homo antagonism are all in play The flamboyant male vocalists formed in the black Pentecostal music ministry tradition through their vocal styles gestures and attire in church services display a spectrum of gender performances from hyper masculine to feminine masculine to their fellow worshippers subtly protesting and critiquing the otherwise heteronormative theology in which the service is entrenched And while the performativity of these men is characterized by cynics as flaming a similar musicalized fire that of the Holy Spirit moves through the bodies of Pentecostal worshippers endowing them religio culturally physically and spiritually like fire shut up in their bones Using the lenses of ethnomusicology musicology anthropology men s studies queer studies and theology **Flaming The Peculiar Theo Politics of Fire and Desire in Black Male Gospel Performance** observes how male vocalists traverse their tightly knit social networks and negotiate their identities through and beyond the worship experience Author Alisha Jones ultimately addresses the ways in which gospel music and performance can afford African American men not only greater visibility but also an affirmation of their fitness to minister through speech and song **Saints in the Struggle** Jonathan Chism,2019-01-14 Mason Temple the headquarters of the Church of God in Christ COGIC looms large in the history of the Civil Rights Movement because of its connection to the late Reverend Dr Martin Luther King Jr who delivered his last sermon there during the Sanitation Workers Strike on April 3 1968 This book highlights the unsung contributions local activists from the COGIC made to the historic strike and to the broader civil rights struggle in Memphis It troubles the rigid otherworldly versus this worldly binary that has inaccurately framed black religious activism and bolstered the view that saints theology influenced their detachment from the civil rights struggle It explores the Memphis Movement from the angle of activist saints and describes their involvements in civil rights organizations such as the Ministers and Citizens League the Memphis Branch of the NAACP and the Community on the Move for Equality Ultimately analysis of Memphis saints activism reveals local grassroots activists vigorous commitment to working to galvanize and mobilize black pastors and churches to work collaboratively to advance the freedom struggle including through coordinating voter registration drives aiding desegregation efforts and assisting sanitation workers in their struggle for economic justice This work provides a historical blueprint and a source of inspiration for fostering collective activism among denominationally diverse black churches in the 21st century **Hurtin' Words** Ted Ownby,2018-10-31 When

Tammy Wynette sang D I V O R C E she famously said she spelled out the hurtin words to spare her child the pain of family breakup In this innovative work Ted Ownby considers how a wide range of writers thinkers activists and others defined family problems in the twentieth century American South Ownby shows that it was common for both African Americans and whites to discuss family life in terms of crisis but they reached very different conclusions about causes and solutions In the civil rights period many embraced an ideal of Christian brotherhood as a way of transcending divisions Opponents of civil rights denounced brotherhoodism as a movement that undercut parental and religious authority Others especially in the African American community rejected the idea of family crisis altogether working to redefine family adaptability as a source of strength Rather than attempting to define the experience of an archetypal southern family Ownby looks broadly at contexts such as political and religious debates about divorce and family values southern rock music autobiographies and more to reveal how people in the South used the concept of the family as a proxy for imagining a better future or happier past

Sanctified Imagination Ivan L. Hartsfield, 2023-07-14 The first of its kind this seminal work charts the unlikely theological quest for Christian holiness by founder Charles Harrison Mason and the Wesleyan Holiness Pentecostal tradition known as the Church of God in Christ COGIC the largest Pentecostal denomination in the United States Through fresh research and critical analysis this book challenges existing assumptions by scholars and reveals how little known black renewal movements informed Mason s theological understanding and that of the movement The rich theological resources of this historically marginalized movement are not primarily accessible in academic journals position papers or theological treatises Instead these resources function as lived religion where the theological presuppositions are embedded in primitive worship ecstatic religious practices and countercultural distinctives By unpacking the lived religion of this self professed sanctified church this book explores how sanctification and the practice of Christian holiness shaped and empowered the COGIC its people and its practices in creative and profound ways resulting in a radical holiness ethic that emerged from an inexhaustible exilic vitality with personal social and political implications Given the challenge of Christian nationalism today this book provides a framework that informs Christian identity and faithful living for the broader Christian community
