Gospel Revolution End Times Bible Study:

Antichrist Osiris: the History of the Luciferian Conspiracy Chris Relitz, 2012-06-01 The Legends of many cultures claim that the world was once destroyed in a cataclysmic flood Many cultures also claim that someday the world will again be destroyed in a similar fashion In the Bible we are told that the disciples once asked Jesus if there would be a warning sign prior to this destructive event He said that there would indeed a sign Jesus said that whatever was happening in the Days of Noah will happen again before the end of this age The Bible has only a few verses about Noah s Flood So we are forced to turn to the ancient flood legends of over 350 other cultures to learn more about this prophecy But Noah s days did not end with the flood he lived for many years afterward He saw the creation of a tower in Babylon This is interesting because the Freemasons claim that their Order originated here Here is the most thorough examination of Freemasonry ever undertaken using their own texts to solve the Days of Noah prophecy

Revelation Revolution Dennis James Woods, 2020-12-05 The book of Revelation is the most mysterious and controversial book of the Bible Yet God intended that Christians be enriched by its enduring message Even though Revelation has a blessing for those who read it many believers still avoid this inspired book Could one reason be they have been taught that most of Revelation does not apply to Christians In this first volume of The End Time Apologetics Series the author challenges the pretribulation rapture position and uncovers how many Christians may not be prepared for prophetic events to come Although many promote pretrib as a fact in reality it s a theory that gained traction in America in the 19th century Further popularized after being published in an immensely popular reference bible pretrib quickly became the preferred rapture position As we see prophetic fulfillment happening in the Middle East and around the world the real question is What happens if the pretrib rapture theory is wrong How will Christians respond if the Church is not raptured before prophetic events occur Will history repeat itself Will there be a group of modern day Thessalonians whose faith will be shaken In this powerful book discover how facts concerning the Antichrist Angels and the Abyss are a game changer for the pretribulation rapture position Learn what effect it would have if the Holy Spirit is not the restrainer of Second Thessalonians See actual correspondence between the author and two of the most esteemed Dispensational scholars who made some surprising admissions about who s really restraining the Antichrist Will end time events actually turn out as portrayed in the Left Behind series Will Christians be prepared for the perilous times to come What could trigger the great falling away Be forewarned those who have ears let them hear what the Spirit says to Christians concerning the Antichrist Angels and the Abyss

Asamoah-Gyadu, 2013-01-11 Pentecostalism is the fastest growing stream of Christianity in the world The real evidence for the significance of Pentecostalism lies in the actual churches they have built and the numbers they attract In Africa Pentecostalism has virtually become the representative face of Christianity with even historic mission denominations pentecostalising their otherwise formal liturgical structures to survive This work interprets key theological and missiological themes in African Pentecostalism by using material from the live experiences of the movement itself An important source of primary material for instance is the popular books written by the leadership of contemporary Pentecostal churches and their media programs An example of this is that on account of its motivational hermeneutics the Eagle rather than the Dove has become the preferred symbol of the Holy Spirit in this nascent dynamic movement The interpretation of themes from contemporary African Pentecostalism in this book reveals much about how as a contemporary movement it is reshaping African Christian spirituality in the 21st century **Kingdom Life Bible: Joining God's Mission to Save the World**

Revolution Greg Albrecht, Plain Truth Ministries, 2005 The Return Dale Hancock, Cathy Hancock, 2020-10-28 When you hear terms such as tribulation Antichrist rapture and the Second Coming do you wonder what the sequence of events will be Do you worry about what you and your loved ones will experience Jesus is coming again Wouldn't it be great if we could read all about His return in one convenient book of the Bible Instead with what seems to be a divine sense of humor God chose to reveal Jesus's Second Coming throughout the entirety of His Word The Return presents the result of three decades of study throughout the Bible examining layers of information and simultaneous events as scripture comments upon scripture regarding the end times and Christ's return Authors Dale and Cathy Hancock invite you to take the same journey they did

In these difficult days, studying the promised blessed hope of His return can empower us to rest peacefully and victoriously in His sovereignty. Jackson, 2025-01-07. This monograph explores the topic of eschatological violence in Pentecostal biblical interpretation of Ezek 36 16 39 29 Rev 19 11 21 and Rev 20 7 10. By reviewing Pentecostal reception history of these texts, considering the influence of classical dispensationalism on Pentecostal biblical interpretation and eschatology, this study offers a peace reading that aligns with both early Pentecostal writers and contemporary Pentecostal scholars whose eschatology departs from classical dispensationalism. This monograph builds a case for envisioning a hopeful and proleptic premillennial eschatology that emphasizes the peace and reconciliation of the gospel more than end times war and violence.

Armageddon's Glorious End David R. Manzano, 2017-12-12. This latest contribution to the understanding of the Bible's final book will be a welcomed addition to anyone's personal library. The author is quick to admit that Revelation has many strange images and perplexing elements. However, he is just as quick to stress that these images and elements are not the focus. The Apostle John, in writing this apocalyptic volume, centers the attention on Jesus Christ, the only hope for those who have accepted Him as Lord and Savior, as well as those who still need to. Many people know Revelation for its striking, confusing symbolism. Many of these people would experience less confusion if they realized that most of these symbols are borrowed by the beloved disciple from other parts of the Bible. Manzano is faithful and responsible in allowing the Bible to interpret itself and establishing the Old Testament, especially the book of Daniel, as the foundation for decoding Revelation's mysteries. As Bible prophecy continues to unfold and this world continues to unravel like a cheap sweater, the frustration and turmoil that ensues will dissipate by the encouraging tone of this book. Readers are subsequently prompted to dive into Revelation and study afresh to reconnect with the Lamb King around whom its messages revolve. **The End of the World**

The testimony of Jesus is the spirit of prophecy Rev 19 10 and a prophetic perspective promotes purpose Yet in a world swiftly growing callous true purpose and meaning are fading Many of Jesus disciples today have lost their first love which is Jesus himself Rev 2 4 And too many souls overall miss the wonder inspiration and comfort gained by those who would endeavor toward fuller comprehension of the book of Revelation Blessed are they who read and those who hear the words of this prophecy and keep those things which are written in it for the time is near Rev 1 3 Neglect of the Holy Spirit slothfulness fear and the ongoing confusion generated by competing interpretations and bad theology are the primary obstacles between an individual and the liberation to be had by reading the last book of the Bible We must not forget that while the apostle John wrote the book of Revelation its author is Jesus Christ and he is not an author of confusion but of peace 1 Cor 14 33 This commentary presents a practical discipleship
