Gott im Leid begegnen Timothy Keller, 2015-10-01 Buddhismus dass es real ist anders als die Karma Lehre dass es oft ungerecht ist und anders als der S kularismus dass es einen Sinn hat Leid ist sinnvoll und richtig betrachtet kann es uns in die Liebe Gottes hineintreiben und uns mehr innere Stabilität und Kraft geben als wir uns vorstellen können Mit seiner besonderen Art zu schreiben die sowohl christliche und religiöse als auch s kulare Leser anspricht hat Timothy Keller sich einer der schwersten Fragen überhaupt angenommen Einer Frage der kein Mensch auf dieser Erde letztlich ausweichen kann

The German Political Broadsheet, 1600-1700: 1649-1661 John Roger Paas, 1985 The years following the Thirty Years War were marked by continued political unrest in Europe as the major powers vied with one another for military and economic superiority Many of the events such as the execution of Charles I of England the first Anglo Dutch naval war the first Northern War threats from the East and Habsburg dynastic moves all found expression in the popular German press Reproduced in this volume are 450 German broadsheets and related foreign models and copies from the years 1649 through 1661 Very little of this material has been reproduced since its original appearance in the 17th century and many of the individual sheets are extant in only one or two copies worldwide This volume is part of the only comprehensive edition of German political historical broadsheets of the 17th century planned to include ten volumes of reproductions and one index volume Each extant sheet is illustrated by a high quality full page reproduction and for each one all known duplicates are listed Three decades work have been needed to draw this rare material from over 200 libraries museums archives and private collections in eighteen countries This edition makes accessible to scholars in numerous disciplines this important primary source for the 17th century
