McDonald, Michael Levine-Clark, 2017-03-15 The Encyclopedia of Library and Information Sciences comprising of seven volumes now in its fourth edition compiles the contributions of major researchers and practitioners and explores the cultural institutions of more than 30 countries This major reference presents over 550 entries extensively reviewed for accuracy in seven print volumes or online The new fourth edition which includes 55 new entries and 60 revised entries continues to reflect the growing convergence among the disciplines that influence information and the cultural record with coverage of the latest topics as well as classic articles of historical and theoretical importance **An Introduction to**

Political Geography Martin Jones, Rhys Jones, Michael Woods, 2004-03-01 An Introduction to Political Geography provides a broad based introduction to how power interacts with space how place influences political identities and how policy creates and remoulds territory By pushing back the boundaries of what we conventionally understand as political geography the book emphasizes the interactions between power politics and policy space place and territory in different geographical contexts This is both an essential text for political geographers and also a valuable resource for students of related fields with an interest in politics and geography Fundamentals of Collection Development and Management, Fourth Edition Peggy Johnson, 2018-07-23 Technical Services Quarterly declared that the third edition must now be considered the essential textbook for collection development and management the first place to go for reliable and informative advice For the fourth

edition expert instructor and librarian Johnson has revised and freshened this resource to ensure its timeliness and continued excellence Each chapter offers complete coverage of one aspect of collection development and management including numerous suggestions for further reading and narrative case studies exploring the issues Thorough consideration is given to traditional management topics such as organization of the collection weeding staffing and policymaking cooperative collection development and management licenses negotiation contracts maintaining productive relationships with vendors and publishers and other important purchasing and budgeting topics important issues such as the ways that changes in information delivery and access technologies continue to reshape the discipline the evolving needs and expectations of library users and new roles for subject specialists all illustrated using updated examples and data and marketing liaison activities and outreach As a comprehensive introduction for LIS students a primer for experienced librarians with new collection development and management responsibilities and a handy reference resource for practitioners as they go about their day to day work the value and usefulness of this book remain unequalled

The Elusive Eden Richard B. Rice, William A. Bullough, Richard J. Orsi, Mary Ann Irwin, 2017-03-17 California is a region of rich geographic and human diversity The authors of *The Elusive Eden* masterfully balance the varying environmental and cultural forces that have shaped the history of the most populous of the United States California's story is told with a narrative integrating the area's north south coastal interior and urban rural dichotomies Questions of the role that Californians of every race ethnicity and gender are considered reflecting the significant contribution each has made to make California what it is The book's organization follows a chronological approach but each part begins with a feature chapter centered around a particular theme of that period By focusing on individuals or groups affecting a given period the authors bring California history to life and encourage deeper thought about the issues facing Californians of the time

Governing California in the Twenty-first Century Melissa R. Michelson, Nadine S. Koch, Jolly Emrey, 2025 Written and extensively updated by an author team who knows and is obsessed with California politics each chapter presents and analyzes the issues and election results that will shape the state's future and students' lives Who Are Californians infographics explore these important topics in greater detail teaching students graphic literacy and critical thinking skills while California and the Nation boxes highlight key issues on justice equality and inclusion

[The Microsoft Antitrust Cases](#) Andrew I. Gavil, Harry First, 2014-11-21 A comprehensive account of the decades long multiple antitrust actions against Microsoft and an assessment of the effectiveness of antitrust law in the digital age For more than two decades the U S Department of Justice various states the European Commission and many private litigants pursued antitrust actions against the tech giant Microsoft In investigating and prosecuting Microsoft federal and state prosecutors were playing their traditional role of reining in a corporate power intent on eliminating competition Seen from another perspective however the government's prosecution of Microsoft in which it deployed the century old Sherman Antitrust Act in the volatile and evolving global business environment of the digital era was unprecedented In this book two

experts on competition policy offer a comprehensive account of the multiple antitrust actions against Microsoft from beginning to end and an assessment of the effectiveness of antitrust law in the twenty first century Gavil and First describe in detail the cases that the Department of Justice and the states initiated in 1998 accusing Microsoft of obstructing browser competition and perpetuating its Windows monopoly They cover the private litigation that followed and the European Commission cases decided in 2004 and 2009 They also consider broader issues of competition policy in the age of globalization addressing the adequacy of today s antitrust laws their enforcement by multiple parties around the world and the difficulty of obtaining effective remedies all lessons learned from the Microsoft cases The Epic of Latin America, Fourth Edition John A. Crow,1992-01-17 Uniquely comprehensive and comparative praised for its devotion to social and cultural developments as well as politics and economics this book has been revised and brought up to date with chapters on the great upheavals of the 1980s **Children, Rights and Modernity in China** O. Naftali,2014-04-08 This book is an original ethnographic study of the emergence of a new type of thinking about children and their rights in urban China It brings together evidence from a variety of Chinese government academic pedagogic and media publications and from interviews and participant observations conducted in schools and homes in Shanghai China *The International Politics of the Asia-Pacific* Michael Yahuda,2019-03-18 This fully revised fourth edition of Michael Yahuda s successful textbook brings the subject up to date introducing students to the international politics of the Asia Pacific region since 1945 As well as assessing the post cold War uncertainties that challenged balance and power with the region the book also examines the first two decades of the new millennium which includes no let up on the war on terror new political administrations in all the key player states and increased cooperative security between some nations polarised by volatile relationships between others Analyzing politics in terms of global regional and local trends this new edition features Discussion and evaluation of the Trump Presidency and its implications for the Asia Pacific region Analysis of Japan s more assertive foreign policy Examination of the continued Rise of China under Xi Jinping in terms of politics security economic dominance and territorial conflicts in the region Ongoing debates concerning the war on terror and how this shifts forms and reforms relationships Explanation of how America s war s in the greater Middle East and the financial crash of 2008 undermined the American led international order This new fourth edition will continue to be a core text for students of Asian politics international relations and Cold War history *Resources in Education* ,1997 **Controlling Immigration** James F. Hollifield,Philip L. Martin,Pia M. Orrenius,François Héran,2022-09-27 The fourth edition of this classic work provides a systematic comparative assessment of the efforts of major immigrant receiving countries and the European Union to manage migration paying particular attention to the dilemmas of immigration control and immigrant integration Retaining its comprehensive coverage of nations built by immigrants the so called settler societies of the United States Canada Australia and New Zealand the new edition explores how former imperial powers France Britain and the Netherlands struggle to cope with the legacies of

colonialism how social democracies like Germany and the Scandinavian countries balance the costs and benefits of migration while maintaining strong welfare states and how more recent countries of immigration in Southern Europe Italy Spain and Greece cope with new found diversity and the pressures of border control in a highly integrated European Union The fourth edition offers up to date analysis of the comparative politics of immigration and citizenship the rise of reactive populism and a new nativism and the challenge of managing migration and mobility in an age of pandemic exploring how countries cope with a surge in asylum seeking and the struggle to integrate large and culturally diverse foreign populations Science Progress in the Twentieth Century ,1928 *Military Review* ,1995 *Century Edition of The American Digest* ,1900
