Born to Rule Tah Asongwed, 2009-05-15. Born to Rule is the autobiography of an African president-monarch who does not want to pass away without leaving anything in writing to future generations. The book is more than just the autobiography of a president; in that it has responded to all the key issues that most people have been asking about the development and underdevelopment of Africa. It is a seminal contribution to the world's collective knowledge of African and world history. At times it is compellingly incisive, satiric, and tongue-in-cheek, and in some places trenchantly hard-hitting and humorous in its brutal portrayal of the way Mandzaha and by extension the African continent is managed and mismanaged.
