Exploring the downfalls of being a freelance writer, this cautionary tale explains what happens when one becomes self-employed, celebrating cubicle-free living through a brilliant comic narrative on the real-life ups and downs of a full-time writer. For more than a decade, Stephanie Dickison had been successfully publishing features and articles while working a full-time job. But in December 2005, she left the secure world of 9 to 5, opting to write freelance in order to pay the bills and hoping to finish a manuscript that was close to five years old. With valuable insights about time management, networking with magazines and newspapers, as well as conducting celebrity interviews and writing feature articles, this valuable resource will inspire many industrious dreamers to take that long-delayed leap and become their own boss.

Smart Snacking Tessa Kwan, AI, 2025-03-19. Smart Snacking reframes snacking as a strategic tool for optimizing health, moving away from the idea of snacks as mere indulgences. It emphasizes the significance of mindful eating and nutrient-rich choices to boost energy, enhance cognitive function, and support physical well-being. Did you know that strategic snacking can accelerate muscle recovery after workouts? The book explores how understanding the glycemic index helps in choosing snacks that provide sustained energy, avoiding the pitfalls of processed foods that lead to energy crashes. The book begins by debunking common myths about snacking and then delves into the science of satiety, teaching readers how to select snacks that promote fullness and reduce overeating. It progresses by decoding macronutrients and micronutrients, offering tailored snack choices for specific needs and providing delicious, easy-to-follow recipes. It also provides strategies for meal prepping and planning snacks in advance, ensuring healthy options are always readily available. This approach empowers you to make informed choices, transforming snacking into a cornerstone of your health and fitness journey. *Feline Feast* Barrett Williams, ChatGPT, 2024-10-23.
