"...for *Growing Up Gay*—a sparkling array of bright and bold voices that add rich, new diversity to our increasingly diverse."

—Jane Adams, Executive Director  
National Gay and Lesbian Task Force, Washington, D.C.

"*Growing Up Gay* will be a great boon to young people coming to grips with their sexuality. It's a wonderful compilation of some of the best literary materials available."

—Barbara Herrnstein Smith, author of *Journal and Curious Gay Man's Obsession*

"*Growing Up Gay* is a young person who is coming out or someone who is working with young people who are the growing, young person. What is there for me to read, for me to read to? It's a fair question to answer now that Bennett Singer has called out from the only book series from so many different sources, and provided an important window of new worlds for lesbian and gay youth."

—Richard Lohman, Manager, A Different Light Bookstore, San Francisco

"We sometimes forget that lesbian, gay, and bisexual youth are still struggling in today's world, often marginalized by the gay community. They are still intensely contemplating their own sexuality. Bennett Singer's volume, first published in the 1970s, has been the only one to focus on the lesbian, gay, and youth from diverse backgrounds, understand their lives, and how they are not alone and that many have paved the way for them. This rich and readable anthology also challenges adults to create a world where growing up gay is possible and even joyful."

—Frances Kamenitzer, Executive Director  
National Gay and Lesbian Task Force, New York

"Essential to its diversity... a remarkable resource filled with poignant, eye-opening, and very funny stories that all inspire and affirm the young women and men for whom these stories are told—without ever growing or becoming insensitized."

—Dr. Stephen A. Russell, The Project 22 Program for Gay and Lesbian Youth, San Francisco public schools

on more personal levels through blogs and the social media If anything there is perhaps too much news and not enough information Obviously a book like this cannot keep up with the news but it can do something equally important when it comes to information by reminding us of the past and what has been going and just how fast events are moving The Historical Dictionary of the Lesbian and Gay Liberation Movements covers the history of this movement through a cross referenced dictionary with over 1000 entries on specific countries and regions influential historical figures laws that criminalized same sex sexuality various historical terms that have been used to refer to aspects of same sex love and contemporary events and legal decisions Including a comprehensive chronology and bibliography this book is an excellent access point for students researchers and anyone interested in learning more about the struggle for equality **Young Men's Work Facilitator's**
