His Excellency George Washington

Washington George

His Excellency George Washington:

His Excellency Joseph J. Ellis, 2005-11-08 National Bestseller To this landmark biography of our first president Joseph J. Ellis brings the exacting scholarship shrewd analysis and lyric prose that have made him one of the premier historians of the Revolutionary era Training his lens on a figure who sometimes seems as remote as his effigy on Mount Rushmore Ellis assesses George Washington as a military and political leader and a man whose statue like solidity concealed volcanic energies and emotions Here is the impetuous young officer whose miraculous survival in combat half convinced him that he could not be killed Here is the free spending landowner whose debts to English merchants instilled him with a prickly resentment of imperial power We see the general who lost more battles than he won and the reluctant president who tried to float above the partisan feuding of his cabinet His Excellency is a magnificent work indispensable to an understanding not only of its subject but also of the nation he brought into being

Facsimiles of Letters from His Excellency George Washington,.. George Washington, 1844 **His Excellency** Joseph J. Ellis, 2004 Drawing from the newly catalogued Washington papers at the University of Virginia the author paints a full portrait of Washington's life and career in the context of eighteenth century America richly detailing his private life and illustrating the ways in which it influenced his public persona When Washington died in 1799 Ellis tells us he was eulogized as first in the hearts of his countrymen Since then however his image has been chiseled onto Mount Rushmore and printed on the dollar bill He is on our landscape and in our wallets but not Ellis argues in our hearts Ellis strips away the ivy and legend that have grown up over the Washington statue and recovers the flesh and blood man in all his passionate and fully human prowess In the pantheon of our republic's founders there were many outstanding individuals And yet each of them Franklin Hamilton Adams Jefferson and Madison acknowledged Washington to be his superior the only indispensable figure the one and only His Excellency Both physically and politically Washington towered over his peers for reasons this book elucidates His Excellency is a full glorious and multifaceted portrait of the man behind our country's genesis

The Address of His Excellency George Washington, President of the United States of America ,1796 His Excellency Joseph J. Ellis, 2004 This book chronicles the life of George Washington discussing his childhood military years presidency and his impact on American politics Facsimiles of
