Wednesday Crucifixion and Three Baptisms Victor Bittner,2017-07-28 Victor Behring Bittner grew up in the Lutheran Church He was ordained and installed as a Lutheran pastor and served three congregations of the Lutheran Church from 1959 to 1973 He was in charismatic ministry from 1973 to 1980 when he began attending an Assembly of God Church and began research on the subject of this book His research was more directed by the leading and guiding of God s Holy Spirit into the Triune God s activity in the prophecies and events relating to the death burial and resurrection of Jesus from the dead the outpouring of the Holy Spirit on the church and the baptism related to the Father Son and Holy Spirit      **The Time of Christ's Return Revealed - Revised Edition** Charles P. Pierce,2009-08-31 This is the real thing If you want to know when Jesus Christ will return to reign as LORD over all the earth this book will tell you The book is controversial because it is unique The time given directly from the Bible is distant unlike the majority of current views expounding the theory that the time of Christ s return is imminent in their lifetime Multiple witnesses of scripture are used to provide Biblical evidence for definite timing of events The book of Daniel gives the number of years between when the second Temple was destroyed in 70 AD until the Lord builds the Millennial Temple Daniel also tells us the number of days it will take the Lord to replace the third Temple with the Millennial Temple In the Gospel of John Jesus tells us when He will build the Millennial Temple Many witnesses throughout the Bible including the book of Joshua each confirm the same timing of events The Church is given truth with the goal of increasing The Kingdom of God The cause of problems and their effects are revealed along with a solution Those who have ears to hear will do more than just listen 523 page count 37 black and white images      **The Holy Cipher: Who Changed God's Name?** Norbert H. Kox,2007-08-27 Norbert H Kox has researched the Bible in its original languages for more than 30 years and presents his startling findings here a Modern Christianity has been duped Without ever knowing it the Antichrist they are warning against has already infiltrated the Church a The Key of knowledge has been hidden and the names of God and Saviour gradually removed from common use without raising suspicion or inciting controversy The two most important names in the history of mankind have been all but obliterated from existence Where these names are still in tact they are being undermined by missionaries who believe they are doing a service to God This treatise is part of a documented research study into the historical linguistic changes in the names of God and Saviour from the oldest known manuscripts to the modern present day English versions of the Bible Along with solid historical and etymological evidence symmetrical Bible codes are presented as irrefutable ratification      **The End Is Come** Norbert H. Kox,2007-08-27 A horrendous destruction is about to consume the entire New York City area Repercussions on the entire country will be horrifying It is all detailed in The End Is Come An Only Evil Behold It Is Come Who Changed God s Name This

great doom is prophesied in the Bible and confirmed by current warnings of seismologists and meteorologists The Bible Code Has recorded virtually every major incident and important historical event since the beginning of time all written and recorded before they happened The September 11 terrorist attack on New York is accurately recorded in great detail An even more devastating tragedy is recorded for New York It has the potential to produce the worst human suffrage since the great flood It could conceivably be a destruction from which the land will never recover Scientific evidence is in total agreement with Bible prophecy and symmetrical Bible code findings As a bonus this book contains the newly updated version of Who Changed God s Name Total pages 221      The Y2k Tidal Wave Donald S. McAlvany,1999-02      **Journey Into**

**Eternity** Grant R. Jeffrey,2000 Addressing what occurs after death has provoked discussion and debate in all societies Now a leading researcher teacher and bestselling author in Bible prophecy and apologetics explores the question Was the sense of immortality placed in our soul by God to teach humanity that our spirit was created to live in this world and the life to come

**Bible Code Bombshell** R. Edwin Sherman,2005 Explosive evidence that Bible codes point to the life of Christ When Ed Sherman a mathematician with 30 years of experience and Nathan Jacobi an Israeli physicist set out to debunk claims that there were mysterious codes in the Hebrew Old Testament they could not have envisioned the startling conclusions they would reach As Dr Jacobi an agnostic Jew looked for lengthy Hebrew codes about Christ repeatedly he discovered compelling excerpts from the life of the man from Nazareth Time and again Dr Jacobi found that one or two word codes were actually part of much longer encoded sentences that echoed the Gospel accounts Moreover these encoded sentences were extensively embedded in two passages most widely regarded as prophecies of the crucifixion of Christ Isaiah 53 and Psalms 22 Bible Code Bombshellsets forth startling new evidence that code sequences in Scripture are irrefutable evidence of a Divine hand In this highly readable book Sherman offers both skeptics and believers a gold mine of information that will prompt much thinking about the origins of the Bible Unlike other Bible code books this unique book features codes that are phrases and sentences and not just one or two word codes The only code book by researchers that are internationally recognized mathematicians and statistical expertsResponds directly and accurately to Bible code critics      *Who Wrote the Bible Code?* Randall Ingermanson,2013-10-22 What is the truth about the Bible code How can you decide what to believe Why does it matter Around the world men and women are captivated by a theory so incredible that if proven true it would forever revolutionize mankind s view of Scripture Some experts have claimed the Bible contains a code that accurately predicts today s events Others renounce the Bible code theory as unfounded Using a new statistical test that promises to provide an authoritative credible answer to the Bible code debate computational physicist Dr Randall Ingermanson leads you on an easily understandable meticulously planned investigation of the evidence at hand addressing the most urgent questions surrounding the Bible code controversy and carefully examining how recent findings could affect your faith      Image of the Risen Christ Kenneth E. Stevenson,2000-02 From 1978 to 1981 a well equipped group of twenty five American scientists

formed the Shroud of Turin Research Project STURP. Thousands of hours were spent conducting the most extensive tests ever performed on a historical artifact. The official spokesperson for the group was former U.S. Air Force Captain and pastor teacher Dr. Kenneth E. Stevenson. Millions of Christians became intensely interested in the Shroud when photographs of the negative image were published in books, magazines, and news papers all over the world. Dr. Stevenson previously co-authored the international best-selling title *Verdict on the Shroud*. His new book *Image of the Risen Christ* discusses the mysterious history of the burial cloth of Christ and uncovers recent scientific discoveries about the image of the man in the Shroud. This book deals with the Shroud as possible evidence of the Resurrection and what significance this could have to Christians entering the new millennium. The Shroud has been subjected to over 150,000 hours of scientific testing. The results of these tests will astonish you. Why have Israel's top scientists recently declared that the Shroud originated in Jerusalem and that it must have been woven before A.D. 760? How can history, art, legend, science, and religious tradition confirm the truth about the Shroud? The multiple blood stains on the Shroud are actually human blood. Could these stains be the blood of Jesus of Nazareth? Why does a remarkable historical document of the early Christian church refer directly to something mysterious about the burial cloth of Jesus? Brilliantly offers possible conclusions about the origin of the Shroud. Is the Shroud a result of brilliant human deception? Is the Shroud a freak occurrence of nature? Is science and religion at war over this artifact? **I,**

**Jesus: An Autobiography** Chuck Missler, William Welty, 2023-01-20 **God in Our Midst** Christopher H.K.

Persaud, 2003-09-25 Are we approaching the end of history as we know it? Are we approaching the end of history as we know it? Wars and rumors of wars. The ongoing conflict in the Middle East. Pestilence and natural disasters. Threat of nuclear, chemical, and biological warfare. Unmitigated hedonism and immorality. Hitherto unparalleled blasphemy and sacrilege. Is there any hope for mankind? Journey with the author as he relives experiences in which he is convinced God played an important role. Research with him as he examines the reasons for so much suffering in the world. Analyze with him a Book that he claims has the answers to all of mankind's problems and that reveals where we are heading. Allow him to introduce you to the one Person who can make all the difference as you prepare to confront the inevitable: deciding where you will spend eternity. **The Numerical Structure of the Holy Bible** Charles Stockford Jr., 2016-12-22 Most Bible students are

aware of the use of numbers in scripture. The number 7 is a prime example with its connotations of perfection and completeness. The study of numbers as used in the Bible is infrequent, and the Lord's people therefore miss some of that which is profitable for correction and instruction in the Word of God. This volume goes a long way toward correcting the deficiency by providing a great introduction to the subject and showing that these patterns provide proof of the completeness and inspiration of the Holy Scriptures. The reader will find profit as well as inspiration from this intriguing study. *The Signature of God* Grant R. Jeffrey, 1998 Collects historical, archaeological, and scientific evidence verifying the authenticity and accuracy of the Bible. **The Dna of Scripture** Karl L. Dahlstrom, 2015-05-27 By utilizing a relatively unknown natural

law of science we are able to reveal the hidden pattern and divine structure of the Holy Scripture which by definition proves its authenticity This book is a unique defense of the Bible and thus by extension that of Christianity by providing a proof of the veracity of the Word of God in a scientific manner outside the Bible itself which previously has not been accomplished The author will demonstrate that the same true natural law of science the Law of First Digits as described in chapters 2 and 3 when applied to the Holy Scriptures of the Bible proves the presence of Gods unfathomable intelligence in creating and preserving the truthfulness of His Word Moreover this proof extends to the identification of God as the only true God of the universeto the exclusion of all others That is a very powerful and controversial statement but one that can be backed up If one proves the entirety of the Scripture as true then it follows that the God referred to in those same Scriptures is and must be the one true God of the universe
