His Return Prophecy Destiny And Hope:

His Return Richard N. Skousen, The Lord has warned us that many traumatic and tumultuous events will take place in the latter days prior to the Second Coming Can we find peace hope and strength in the midst of these events Using the scriptures and modern prophetic revelations Brother Skousen clearly explains the events that will occur prior to the Savior s Second Coming This book offers a wonderful message of hope and answers many important questions about His Return What unique protection has the Lord promised the righteous in the latter days Why must so many dreadful and turbulent events occur in the latter days What organizations laws and covenants must be established prior to His Return What must take place in order to redeem the land of Zion How will the city of New Jerusalem be planned and built What does it really mean to live in the fullness of times How will this eventually be fulfilled How can we best prepare ourselves for His Return This eBook includes the original index footnotes table of contents and page numbering from the print format **His Return** Richard N. Skousen,2007 **Hanging by a Thread** Richard N. Skousen,2016-03-07 **Answers to Common Questions about the End Times** Timothy J. Demy,Thomas Ice, Introducing a new series of quick reference guides that answer the most asked questions about the Christian faith Living Hope for the End of Days John S. Barnett,2006-11 **Drums of Hope** Varun Shah,2015-04-08 The Story of Burzen garth is a fictional depiction of a magical land that makes its self known as an eternal struggle of the mind to cope with foreign bodiesthe battle against disease We come across strange beasts that are good and bad all symbolic of the psyche and the magical nature of how healing works on the body Strange ways are brought to light as the journey of the hero transforms into the work of destiny This is a little memento of the work of an ageless dream that humanity constantly searches for in philosophical classical and spiritual literature **Poetry, Catastrophe, and Hope in the Vision of Isaiah** Francis Landy,2023-06-21 The book of Isaiah is one of the longest and strangest books of the Hebrew Bible composed over several centuries and traversing the catastrophe that befell the two kingdoms of Israel and Judah in the 8th and 6th centuries BCE Francis Landy s book tells the story of the poetic response to catastrophe and the hope for a new and perfect world on the other side The study traces two parallel developments the displacement of the Davidic promise onto the Persian Empire Israel and the prophet himself and the transition from exclusively male images of the deity to the matching of male and female prototypes whereby YHWH takes the place of the warrior goddess Poetry Catastrophe and Hope in the Book of Isaiah consists of close readings of individual passages in Isaiah commencing with Chapter One and the problems of beginning and ending with Deutero Isaiah composed subsequent to the Babylonian exile The volume is arranged thematically as well as sequentially the first chapter following the introduction concerns gender the second death the third the Oracles about the Nations At the centre there is what Landy calls the constitutive enigma Isaiah s commission in his vision to speak so that people will not understand This renders the entire book potentially incomprehensible the more we try to understand it the greater the difficulty For Landy this creates a model of reading and writing the challenge and the risk of

going up blind alleys of trying to make sense of a disastrous world Isaiah's commission pervades the book Throughout there is a promise of an age of clarity as well as social and political transformation which is always deferred beyond the horizon Hence it is a book without an ending or with multiple endings In the final chapters the author turns to the central Chapter Thirty Three a mise en abyme of the book and a prayer for deliverance and the issues of exile and the possibility of return Like every poetic work particularly in an era of cultural collapse it is a critique of the past and a hope for a new humanity

And how clearly are the nations preparing by granting unrestrained powers to individual men such as we note in Russia Germany Italy and in our own country all preparing for the one man prophesied by our Lord in John 5 43 I am come in my Father s name and ye receive Me not if another shall come in his own name him ye will receive We are surely in the world age of the feet of iron mixed with miry clay of Daniel s image Let me repeat that this book so full of spiritual meat and helpful illustrative anecdotes so interesting while so splendidly setting forth these vital scattered Bible teachings is destined to reach many hearts and to build up many Christians in a more vital Spirit filled faith From the Introduction by Howard A Kelly

Truth Aflame Larry D. Hart, 2010-02-23 Larry Hart s Truth Aflame brings together charismatic renewal and classic evangelical faith better than anything I have read An important contribution to the contemporary renaissance in systematic theology Timothy George Dean of Beeson Divinity School of Samford University Executive Editor of Christianity Today As the Pentecostal charismatic movement continues to grow so does the need for solid theological resources for its members While there are many volumes of systematic theology available very few are written from a distinctly charismatic perspective Truth Aflame seeks to meet that need While academically sound Truth Aflame is written with a practical pastoral flavor Larry Hart defines systematic theology as the process of taking what the Bible teaches and relating it to contemporary questions and knowledge His passion for the subject is evident he is concerned that the reader both grasps the magnificence of the study of God and allows these great truths to be transformative This Truth then liberating enlivening and transforming Truth becomes central to the ongoing renewal of the church that we are seeing in our day Dr Hart treats each of the traditional categories revelation God creation humanity sin Christ salvation the church and last things from a Pentecostal charismatic perspective He addresses other theological viewpoints but does not get bogged down in analysis and rebuttal Further he seeks to build bridges of understanding to those evangelicals outside the charismatic tradition Clear succinct and readable this revised and updated edition of Truth Aflame is well suited not only for students but for anyone desiring a greater understanding of Pentecostal charismatic theology

Jeremiah 52 in the Context of the Book of Jeremiah Henk de Waard offers a thorough examination of the final chapter of the book of Jeremiah Particular attention is paid to the chapter's relationship with the parallel text in 2 Kings 24 18 25 30 to the differences between the Masoretic text and the Old Greek translation to the literary function of Jeremiah 52 within the book of Jeremiah and to the chapter's historical context De Waard shows that especially in the early text form represented by the Old Greek Jeremiah 52 is not a mere appendix to the book but a golah oriented epilogue indicating the contrasting destinies of pre exilic Judah and the exilic community in Babylon
