of Women in the United States examines the public memorialization of women in the US over the past century with a
particular focus on the late twentieth century and early twenty first The analysis centers on six case examples of
memorialization and explores broad themes of cultural representation Bergman argues that the construction or relocation of
a series of prominent national memorials together form a significant moment of change in the ways in which women are
commemorated in the US The historic and present day challenges facing such commemoration are examined with reference
to broader political debates The case examples explored are the Women in the Military Service for America Memorial the
Women s Rights National Historic Park the Vietnam Veterans Women s Memorial the Rosie the Riveter WWII Home Front
National Historical Park the Eleanor Roosevelt Statue in the Franklin Delano Roosevelt Memorial and the Portrait Monument
of Susan B Anthony Lucretia Mott and Elizabeth Cady Stanton Providing insightful and grounded analysis of the history and
practice of the commemoration of women in the US this book makes useful reading for a range of scholars and students in
subjects including heritage studies communication studies and history *The Everything Family Guide To Washington D.C.*
