A Metrical History of the Life and Times of Napoleon Bonaparte (Classic Reprint) William J. Hillis, 2017-10-30 Excerpt from A Metrical History of the Life and Times of Napoleon Bonaparte I have no apology to offer for placing before the public the following collection of poems If my scheme possesses no other merit than that of being unique perhaps it will not be wholly condemned The collection is by no means complete neither have I sought to make it so From the vast number of poems published hid away and forgotten I have dug out and retained only such as suited my fancy and which go to make up a sort of

poetical history of the life and times of the Great Emperor leaving behind me far more in number than I have used About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Life of Napoleon Bonaparte (Classic Reprint) Charles MacFarlane, 2017-10-25 Excerpt from Life of Napoleon Bonaparte The Publishers believe that in adding the Life of Napoleon Bonaparte to their biographical series they are supplying a want that has long been felt by the public Although several works have issued from the English press in which the extraordinary career of Napoleon has been treated at great length and although many disputed passages in his history have received the most minute and searching investigation the Publishers are not acquainted with any volume which within a moderate compass and at a small price contains the essence of the researches of late years and gives a fair and complete account of the life of the French soldier and statesman The present work is intended to supply the deficiency The reestablishment of the Napoleon dynasty in France served to increase the interest in the life and fortunes of the founder of this wonderful family In these pages it is hoped that a fitting memorial will be found of that hero who was once the terror of the nations and whose deeds have since attracted the attention of the world About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The History of Napoleon Bonaparte, Vol. 4 of 4 (Classic Reprint) John S. C. Abbott, 2015-06-30 Excerpt from The History of Napoleon Bonaparte Vol 4 of 4 The victorious Allies now assembled with shouts of exultation in the great square of Leipsic No pen can describe the horrible scene which the interior of the city presented The streets were filled with heaps of the dying and of the dead not merely of combatants but of peaceful citizens aged men women and children The houses were shattered and blown into fragments by the terrific cannonade Many parts of the city presented but piles of smouldering ruins Broken caissons baggage wagons guns and all the enginery of war were strewn in ruin around Mangled horses dismembered limbs and pools of blood polluted the pavements The Emperors of Russia and Austria with the King of Prussia accompanied by a magnificent suite and deafening the city with clarion notes of triumph entered by the southern barrier At the same moment Bernadotte also surrounded by war's most exultant pageant entered by the eastern gates The Royalist

party in Leipsic who would regain opulence and power by the overthrow of the popular party received the Allies with every demonstration of joy The friends of reform retired in silence and anguish to their dwellings or abandoned their homes and accompanied the retreating army to escape persecution imprisonment and death In the explosions of artillery and the chimes ringing from the steeples and the peals of martial music they heard the knell of German liberty Their great friend who with heroism unexampled had so long held at bay all the despots of Europe was at last struck down Germany was again delivered over bound hand and foot to Russian and Prussian and Austrian absolutism Beneath that impenetrable gloom those nations still lie enthralled Why God should thus for a time have permitted despotism to triumph is one of those mysteries which is reserved for the revelations of a future day About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Life of Napoleon Bonaparte (Classic Reprint) P. C. Headley, 2015-07-11 Excerpt from The Life of Napoleon Bonaparte In presenting the public with this new biography of Napoleon Bonaparte the author did not expect to add new facts or modify those with which the world is familiar in his career We have quoted often from well known authors the mere statement of stereotyped facts and have endeavored in the great condensation of matter necessary in a volume no larger than this biography to embrace all the illustrative and stirring scenes in Napoleon s history The authors chiefly referred to are Bourrienne The Berkley Men Lockhart Von Rotteck Encyclopedia Americana Confidential Correspondence with Joseph and Abbott s Napoleon A striking fact omitted entirely by the latter the invasion of St Domingo is given at length from documents furnished by B C Clarke Esq of Boston ex Consul at Hayti from which by his permission extracts are freely made With but little comment generally the

What M De Las Casas states Napoleon to have said in May 1816 on the manner of writing his history corroborates the opinion I have expressed It proves that all the facts and observations he communicated or dictated were meant to serve as materials We learn from the Memorial that M De Las Casas wrote daily and that the manuscript was read over by Napoleon who Often made corrections with his own hand The idea Of a journal pleased him greatly He fancied it would be a work of which the world could afford no other example But there are passages in which the order of events is deranged in others facts are misrepresented and erroneous assertions are made I apprehend not altogether involuntarily About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A Short Life of Napoleon Bonaparte (Classic Reprint) Ida M. Tarbell, 2015-07-12

Excerpt from A Short Life of Napoleon Bonaparte The chief source of illustration for this volume as in the case of the Napoleon papers in McClure s Magazine is the great collection of engravings of Mr Gardiner G Hubbard which has been generously placed at the service of the publishers In order to make the illustration still more comprehensive a representative of McClure s Magazine and an authorized agent of Mr Hubbard visited Paris to seek there whatever it might be desirable to have in the way of additional pictures which were not within the scope of Mr Hubbard s splendid collection They secured the assistance of M Armand Dayot Inspecteur des Beaux Arts who possessed rare qualifications for the task His official position he owed to his familiarity with the great art collections both public and private of France and his official duties made him especially familiar with the great paintings relating to French history Besides he was a specialist in Napoleonic iconography On account of his qualifications and special knowledge he had been selected by the great house of Hachette et Cie to edit their book on Napole on raconte par I Image which was the first attempt to bring together in one volume the most important pictures relating to the military political and private life of Napoleon M Dayot had just completed this task and was fresh from his studies of Napoleonic pictures when his aid was secured by the publishers of McClure s Magazine in supplementing the Hubbard collection The work was prosecuted with the one aim of omitting no important picture When great paintings indispensable to a complete pictorial life of Napoleon were found which had never been either etched or engraved photographs were obtained many of these photographs being made especially for our use A generous selection of pictures was made from the works of Raffet and Charlet M Dayot was able also to add a number of pictures not less than a score of unique value through his personal relations with the owners of the great private Napoleonic collections Thus were obtained hitherto unpublished pictures of the highest value from the collections of Monseigneur Due d Aumale of H I H Prince Victor Napoleon of Prince Roland of Baron Larrey the son of the chief surgeon of the army of Napoleon of the Duke of Bassano son of the minister and confidant of the emperor of Monsieur Edmond Taigny the friend and biographer of Isabey of Monsieur Albert Christophle Governor General of the Credit Foncier of France of Monsieur Paul le Roux who has perhaps the richest of the Napoleonic collections and of Monsieur le Marquis de Girardin son in law of the Due de Gaete the faithful Minister of Finance of Napoleon I It will be easily understood that no doubt can be raised as to the authenticity of documents borrowed from such sources The following letter explains fully the plan on which Mr Kubbard s collection is arranged and shows as well its admirable completeness It gives too a classification of the pictures into periods which will be useful to the reader Dear Sir It is about fourteen years since I became interested in engravings and I have since that time made a considerable collection including many portraits generally painted and engraved during the life of the personage I have from two hundred to three hundred prints relating to Napoleon his family and his generals The earliest of

these is a portrait of Napoleon painted in 1791 when he was twenty two years old the next in date was engraved in 1796 There are many in each subsequent year and four prints of drawings made immediately after his death There are few men whose characters at different periods of life are so distinctly marked as Napoleon s as will appear by an examination of these prints
