Indices,1977 **Genealogy of the Brumbach Families** Gaius Marcus Brumbaugh,1913 **Daughters of the American Revolution Magazine**,1924 *A Potter's Progress* Scott Suter,2024-01-12 Born into a traditional culture in 1833 Emanuel Suter cultivated the art of pottery and expanded markets across the Shenandoah Valley of Virginia creating a thriving company and leaving thousands of examples of utilitarian ceramic ware that have survived down to the present Drawing on Suter s diary rich with meticulous descriptions of his ceramic wares along with glazing recipes and the quotidian details of nineteenth century business as well as myriad other primary and secondary sources Suter s great great grandson Scott Hamilton Suter tells the story of how a farmer with a seasonal sideline developed into a technologically advanced entrepreneur who operated a modern industrial company As a

farmer Emanuel Suter innovated by adopting new time saving equipment this progressive thinking bled over into his religious life as he endeavored to change the traditional way of choosing ministers by lot and advocated for the formation of Sunday schools in the Mennonite Church But Suter largely made his mark as a potter and A Potter s Progress is enhanced by nearly two dozen color images and a close study of the techniques including kilns and jigger wheels products shop organization marketing and labor of Suter s shops revealing the revolutionary role they played in the world of Rockingham County Virginia pottery manufacture This tightly focused case study of the trials and triumphs of one craftsman as he moved from a cottage industry to a full scale industrial enterprise prefiguring the market economy that would characterize the twentieth century serves as a microcosm for examining the American spirit of progress in late nineteenth century America
