Murray Smith,2018-01-29 Excerpt from The Roll Call of Westminster Abbey There is a silence which can almost be felt at this darkest hour of the night inside the great church a silence broken once and once only in the writer s experience by the fall of some apparently heavy body upon the pavement of the choir After a breathless moment of suspense and a search aided by the watchman s lantern the tiny half starved corpse of a sparrow was discovered on the stones the intense quietness around illustrated by the noise so small an object had caused About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

T would be idle to hope that any commendatory words of mine could add weight to the intrinsic merits of the pages to which they are prefixed But I rejoice to feel myself in any way associated alike with the story which they record and with the purpose which they were designed to fulfil The volume itself apart from the illustrations with which it is enriched is the work of a daughter whose interest in the historical associations of the Abbey has never abated from the year in which it first became her home to the present moment when her residence is still fixed in its immediate neighbourhood I can answer for the careful study of which it is the result and for the pains which have been taken to secure the advice and assistance of those who were specially qualified to give guidance and information My own contribution to the work has amounted to little beyond occasional assistance and supervision general encouragement and a hopeful desire for its success a success which I cannot but think will be considerable and which if attained she will owe to her own efforts and judgment and to the use which she has made of the abundant materials at her disposal About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
