The Manual of Discipline Wouter G. Werner, 2018-10-16 Preliminary Material P Wernberg M ller Introduction P Wernberg M ller Translation P Wernberg M ller Textual Notes P Wernberg M ller Commentary P Wernberg M ller Reference Tables P Wernberg M ller Bibliography P Wernberg M ller Abbreviations P Wernberg M ller Manual for Sojourners Samson Liao Uytanlet, Juliet Lee Uytanlet, 2023-04-26 Peter reads the messages originally addressed by God to sojourners in the Old Testament as the same messages God had for the sojourning believers of Peter's generation No wonder Peter used these same exhortations to instruct first century believers in the diaspora For Peter the Old Testament was their Scripture For us today the Old Testament and New Testament are our Scripture God's messages for the faithful sojourners in the Old Testament and New Testament are the same message he has for sojourners of all generations including ours **The manual of discipline** Manual of discipline. English, 1957 *Scale and arpeggio manual* Walter Macfarren, 1915 For Your Sake He Became Poor Georges Massinelli, 2021-04-19 The Pauline collection for the poor in Jerusalem is the most famous example of financial support for geographically distant groups in early Christianity Recent assessments of the Pauline collection have focused on patronage to explain the social relations between Jerusalem and the Pauline groups and the strategies adopted by Paul Through a comparison with the Greco Roman world and a close reading of the texts this study challenges the recent approach and proposes that other factors shaped Paul's stance Paul was interested in reassuring the Corinthians about the financial outcome of the collection and dispelling doubts that he might take advantage of them The collection was an action modeled on divine generosity and an exchange within a reciprocal relationship between Christian groups This study also surveys intergroup support between Christian groups in the first three centuries CE This practice involved churches from most of the Mediterranean Basin and was known even outside of Christian circles Transfers of money were organized according to a consistent pattern modeled on local charitable practices The Pauline collection had similar characteristics and can be seen as part of this widespread economic practice **Paul and his Rivals** Clair Mesick, 2024-08-19 At the heart of Paul's Corinthian correspondence is a historical puzzle How did the relative calm of 1 Corinthians deteriorate into the chaos of 2 Corinthians and what role did the so called Jewish super apostles play in that conflict This book proposes a new solution it was Paul not his rivals who shot the first volley in the Corinthian conflict Paul's claims of unique authority for instance as the architect atop whose foundation all others must build 1 Cor 3 10 and the Corinthians father while others are mere pedagogues 4 15 would relegate other leaders to lesser positions His contention that accepting financial support put an obstacle before the gospel 9 12 would jeopardize the livelihood of apostles who relied on such support Finally Paul's claim that he becomes lawless to the lawless 9 21 or that circumcision is nothing 7 19 could throw into question Paul's own Jewishness cf 2 Cor 11 22 By reading the Corinthian correspondence against the grain imagining how Paul's letter might have backfired for an audience who did not yet take him as scripture this book explores

how misunderstandings and misinterpretations can fracture church communities and cause a ripple effect of conflict and accusation

Rethinking Paul's Rhetorical Education Ryan S. Schellenberg, 2013-09-03 Winner of the Canadian Society of Biblical Studies 2015 F W Beare Award Did Paul have formal training in Greco Roman rhetoric or did he learn what he knew of persuasion informally as social practice Pauline scholars recognize the importance of this question both for determining Paul's social status and for conceptualizing the nature of his letters but they have been unable to reach a consensus Using 2 Corinthians 10-13 as a test case Ryan Schellenberg undertakes a set of comparisons with non-Western speakers most compellingly the Seneca orator Red Jacket to demonstrate that the rhetorical strategies Paul employs in this text are also attested in speakers known to have had no formal training in Greco Roman rhetoric Since there are no specific indicators of formal training in the way Paul uses these strategies their appearance in his letters does not constitute evidence that Paul received formal rhetorical education

Reading Acts in the Discourses of Masculinity and Politics Eric Barreto, Matthew L. Skinner, Steve Walton, 2017-01-12 This book looks at the Acts of the Apostles through two lenses that highlight the two topics of masculinity and politics Acts is rich in relevant material whether this be in the range of such characters as the Ethiopian eunuch Cornelius Peter and Paul or in situations such as Timothy's circumcision and Paul's encounters with Roman rulers in different cities Engaging Acts from these two distinct but related perspectives illuminates features of this book which are otherwise easily missed These approaches provide fresh angles to see how men masculinity and imperial loyalty were understood experienced and constructed in the ancient world and in earliest Christianity The essays present a range of topics some engage with Acts as a whole as in Steve Walton's chapter on the way Luke Acts perceives the Roman Empire while others focus on particular sections passages and even certain figures such as in an Christopher Stroup's analysis of the circumcision of Timothy Together the essays provide a tightly woven and deeply textured analysis of Acts The dialogue form of essay and response will encourage readers to develop their own critiques of the points raised in the collection as a whole

Recovering an Undomesticated Apostle Christopher B. Zeichmann, John A. Egger, 2023-04-01 Paul the apostle is usually imagined as a man of prestige and power comfortably conversing with philosophers seeking an audience with the emperor and composing compelling letters for Christians throughout the Mediterranean Yet this portrait of a safe and conventional figure at the origins of Christianity airbrushes out many strange things about him This volume repositions Paul as a man at the periphery of power Recovering an Undomesticated Apostle explores the ways that Paul has been domesticated in both popular and scholarly imagination By isolating selected crises of the apostle's life and legacy and examining the social and material dimensions of his world these essays collectively chip away at the received image of his strength and status The result is a series of glimpses of Paul that frame the apostle as

surprisingly marginal and weak within Roman society Published in honour of New Testament scholar Leif E Vaage
Recovering an Undomesticated Apostle presents Paul as a man operating from a position of desperation making virtue out of necessity as he attempted to claw his way up in the dog eat dog world of the ancient Mediterranean **Classified**

Rosner,Andrew S. Malone,Trevor J. Burke,2017-11-30 Paul as Pastor demonstrates the critical nature of Paul s pastoral care to his identity and activities Despite the fact that Paul never identifies himself as a pastor there is much within the Pauline letters that alludes to this as a possible aspect of Paul s vocation and commitments and this has been a topic of relative scholarly neglect The contributors to this volume consider the household setting of Paul s pastoral practice the evidence of Acts and a survey of themes in each of the letters in the traditional Pauline corpus Additionally three chapters supply case studies of the Wirkungsgeschichte of Paul s pastoral practice in the pastoral offices of the Anglican Communion in the denomination s Ordinal and in the lives and thought of Augustine of Hippo and George Whitfield As such Paul as Pastor provides a stimulating resource on a neglected and critical dimension of Paul and his letters and an invaluable tool for those in pastoral ministry and those responsible for their training Paul and Money Verlyn Verbrugge,Keith R. Krell,2015-06-23 The apostle Paul one of the most prominent figures in the early Jesus movement had a lot to say about money His letters deal with real people as they lived their Christian lives in the Greco Roman world He finds it necessary to address those who are rich in this present world 1 Tim 6 17 But he also has to address those do not want to work for whatever reason and are idle and disruptive 2 Thess 3 6 Moreover whereas most churches today have a certain socio economic homogeneity some of Paul

s churches had a combination of upper class wealthy people and lower class slaves worshipping side by side and it inevitably created friction esp 1 Cor 11 17 34 During the past twenty years a significant amount of research has been done on class consciousness in the Greco Roman world and on the significance of Paul s fund raising venture for the poor among the Lord s people in Jerusalem the collection for his ministry Relying on the surprising results of current Pauline scholarship and a careful exegesis of a variety of New Testament texts this book offers a thorough investigation of the apostle Paul s sayings and dealings with money *The Bible, Gender, and Sexuality: Critical Readings* Lynn R. Huber,Rhiannon Graybill,2020-10-01 This volume collects both classic and cutting edge readings related to gender sex sexuality and the Bible Engaging the Hebrew Bible New Testament and surrounding texts and worlds Rhiannon Graybill and Lynn R Huber have amassed a selection of essays that reflects a wide range of perspectives and approaches towards gender and sexuality Presented in three distinct parts the collection begins with an examination of gender in and around biblical contexts before moving to discussing sex and sexualities and finally critiques of gender and sexuality Each reading is introduced by the editors in order to situate it in its broader scholarly context and each section culminates in an annotated list of further readings to point researchers towards other engagements with these key themes **From the Damascus Covenant to the Covenant of the Community** Stephen Hultgren,2007 This volume offers new insight into the origins of the new covenant in the land of Damascus and the Qumran community and explores topics related to their covenantal theology
