**The Star Wars Radio Dramas** Maria Jose Tenuto,John Tenuto,2024-07-29 By 1977 National Public Radio NPR was in trouble plagued by too little funding and small audiences The phenomenal success of its adaptation of Star Wars as a radio drama in 1981 gave NPR the needed ratings publicity and boost in donations that kept it afloat at exactly the time it was threatened the most Most importantly Star Wars brought a new audience to NPR As it did in theaters where George Lucas s films redefined movie making so too did NPR s Star Wars forever change the artistic world of radio drama That a radio network dependent exclusively on audio would find a lifeline in one of the most visually dynamic movies ever released is the stuff of irony Utilizing new interviews with creatives such as Anthony Daniels C 3PO Ann Sachs Princess Leia Perry King Han Solo and director John Madden and archival research this book details how an unlikely alliance of academics radio executives Lucasfilm employees actors and behind the

scenes artists banded together despite the obstacles to create a unique and consequential work It is also the story of how writer Brian Daley was the fulcrum who made it all possible
