Go Put Your Strengths To Work Go Put Your Strengths To Work:

Go Put Your Strengths to Work Marcus Buckingham, 2007-03-06 Marcus Buckingham's books have guided millions to become top performers in everything they do by focusing on their strengths. In *Go Put Your Strengths to Work*, a Wall Street Journal bestseller, Buckingham will show you how to hone and apply your strengths for maximum success in your career. Research data show that most people do not come close to making full use of their assets at work; in fact, only seventeen percent of the workforce believe they use all of their strengths on the job. *Go Put Your Strengths to Work* aims to change that through a six-step, six-week experience that will reveal the hidden dimensions of your strengths. Buckingham shows you how to seize control of your assets and rewrite your job description under the nose of your boss. You will learn why your strengths aren't what you are good at and your weaknesses aren't what you are bad at. How to use the four telltale signs to identify your strengths. The simple steps you can take each week to push your time at work toward those activities that strengthen you and away from those that don't. How to talk to your boss and your colleagues about your strengths without sounding like you're bragging and about your weaknesses without sounding like you're whining. The fifteen-minute weekly ritual that will keep you on your strengths path your entire career. With structured exercises that will become part of your regular workweek and proven tactics from people who have successfully applied the book's lessons, *Go Put Your Strengths to Work* will arm you with a radically different approach to your work life. As part of the book's program, you'll take an online Strengths Engagement Track, a focused and powerful gauge that has proven to be the best way to measure the level of engagement of your strengths or your team's strengths. You can also download the first two segments of the renowned companion film series *Trombone Player Wanted*. *Go Put Your Strengths to Work* will open up exciting uncharted territory for you and your organization. Join the strengths movement and thrive. *Go Put Your Strengths to Work* Marcus Buckingham, 2010-12-28

Strengths movement founder Marcus Buckingham answers the ultimate question: How can you actually apply your strengths for maximum success at work? Beyond Booked Solid Michael Port,2010-12-16 In Beyond Booked Solid Michael Port returns with new tactics for growing your business even bigger Port s Book Yourself Solid was a huge hit among professional service providers and small business owners who learned to master the art of attracting clients and keeping them happy In this book he helps your business keep growing by taking the next step beyond booked solid That means maximizing your business while working less and earning more This is the ultimate guide for your growing business *The Gentle Art of Leadership* Brian Donovan,Dean Phelan,2024-11-12 What makes leaders great The writing is on the wall Quantitative and qualitative research indicate they consistently practise a Gentle Art of Leadership Firsthand analyses of more than six thousand 360o feedback reports Over 50 one on one interviews with Leaders Reflections on hundreds of Executive Coaching sessions Review of over 160 books and articles on leadership Our own experiences as CEOs A compelling guide and handbook for anyone in a leadership role This Gentle Art of Leadership cuts against the grain of the often held view that great leaders CEOs and team coaches are charismatic extroverted forceful characters with powerful egos and that we need such big personalities to transform our companies organisations sporting teams and nations Sometimes this view proves to be true and we remember such characters But more often the greatest leaders who leave the greatest legacies have a powerful mixture of personal humility integrity and indomitable will for forwarding the health success and long term prosperity of their organisation and people They seem to get the best out of others by genuinely treating them with dignity and respect whilst focused on strategic outcomes Spotlighting the Strengths of Every Single Student Elsie Jones-Smith,2011-08-03 This book explains how a teaching system focused on identifying and stoking each student s strengths rather than concentrating on deficits can bring remarkable academic improvement and achievement It s a familiar and seemingly logical model to improve performance identify weaknesses and target these problem areas Could doing the opposite be a better way Licensed clinical psychologist Elsie Jones Smith argues that strengths based systems are indeed more effective not just in social work where the philosophy became popular or in the business world where the concept is increasingly being embraced but in the academic setting as well Spotlighting the Strengths of Every Single Student Why U S Schools Need a New Strengths Based Approach explains how and why a system that focuses on students strengths enables kids to be self confident goal directed and to possess a stronger sense of self efficacy self control and academic achievement Jones Smith also explains how such a system spurs appreciation and advancement of multiple intelligences which in turn gives students the ability to address weaknesses on

their own Another plus this approach has also been shown to generally reduce school disciplinary actions and increase class attendance time
