Theory of Colour Cubes Gordon Anthony, 2014-12-18 This book is written from a personal perspective of an individual addressing life issues and obstacles that we are to overcome with a spiritual insight into life On from various points of starting out with having no opportunity to making opportunities and having to make more major moves in life and make further changes which has resulted from changing from one's own perspective into following

the word of God in a very practical and realistic way All of this insight from a boy from the ghetto who had much turmoil in his family circumstances and had no real good guidance from people and explaining into finding out through personal experiences that God is the only way through this life This is a compilation of true life experiences and lessons learned in an effort to assist and guide the next man or woman girl or boy whether young or old to have reading pleasure and hopefully not a too upsetting experience to eventually reach the point of their own truth in their own life to reach the point of peace and serenity

Resetting Susan B. Hassmiller,2020-01-07 A wife and medical professional reflects on the loss of her husband in a series of reflections that reveal the emotional stages of grief and healing Although grief and loss are universal human conditions the idea of losing those we love is still greatly feared largely undiscussed and certainly not prepared for It is no wonder people feel alone and isolated in their feelings and thoughts when loss comes to them Longtime nurse and Red Cross volunteer Susan Beth Hassmiller is no stranger to death Not only has she experienced the suffering of death alongside her patients but she was blindsided by the physical and emotional toll of loss in her personal life when her husband was fatally injured in an accident Resetting is written in a daily diary format in which Susan opens a very private window to the actual feelings and thoughts she lived through during her grief process Raw and gripping Resetting reveals a profound understanding of the human experience of death By sharing her perspective as a wife widow and medical professional Susan helps those who going through grief gain a new perspective and a greater understanding of death while also offering ideas on how to help those who are experiencing bereavement from words to say to providing support

Record ,1924 The 5 Practices of Highly Resilient People Dr. Taryn Marie Stejskal,2023-04-18 1 WALL STREET JOURNAL BESTSELLER 1 international resilience expert Dr Taryn Marie Stejskal provides practical tools to effectively address challenges complexity and change Resilience is categorically misunderstood It s not merely about bouncing back and it s so much more than returning to where you began True resilient doing allows us to capitalize on the inescapable challenges of life and become better than we were before Dr Taryn Marie Stejskal began working with brain injury patients and found that most popular beliefs about human resilience are incorrect Since then for the last 20 years she has conducted qualitative research on the power of resilience studying the science behind why some people succeed while others fail Here Dr Taryn Marie outlines the five critical behaviors that define successful resilience Vulnerability Productive Perseverance Connection Gratitude and Generosity and Possibility Resilient People bounce forward take an active approach to facing challenges and most importantly they are made not born Dr Taryn Marie s empirically proven framework shows us how to develop resilience practices in our own lives as adults as parents and across organizations in a manner that allows us to be enhanced by our experiences not diminished
