Hans-Peter Geiser

God Is New Each Moment:

God is New Each Moment Edward Schillebeeckx, Huub Oosterhuis, Piet Hoogeveen, 2004-12-30 Edward Schillebeeckx 1914 is a prominent Catholic theologian remarkable for having survived three inquiries into his possible heresy by the Vatican He explores traditional Catholic concepts in the light of twentieth century understanding and is committed to working out a satisfactory statement of the relationship between the Church and the world *God is New Each Moment* presents a series of interviews at once inspiring provocative and illuminating between Schillebeeckx and fellow theologians Huub Oosterhuis and Piet Hoogeveen

Through the Dark Field Susie Paulik Babka, 2017 Theological discourse in the West has consistently valued the word over the image Aesthetics which discerns the criteria and value of the beautiful and what pleases the senses is the discipline that prioritizes sensual intelligence over the rational this book advocates a reconsideration of the doctrine of the incarnation through an aesthetics of vulnerability in which the ethical optics of attention to the vulnerable other becomes the standpoint in which to ponder the significance of God became human Relying on such diverse thinkers as Emmanuel Levinas Maurice Blanchot Karl Rahner and Masao Abe Susie Paulik Babka explores visual art images and poetry as theological sources designating what Blanchot called a region where impossibility is no longer deprivation but affirmation

T&T Clark Handbook of Edward Schillebeeckx Stephan van Erp, Daniel Minch, 2019-09-05 Written by leading experts on both the thought of Edward Schillebeeckx and modern theology this handbook offers the first comprehensive study of the historical philosophical political and theological aspects of Schillebeeckx's work As one of the most influential Catholic theologians of the twentieth century he played a key role in the preparations for the theological revolution of the Second Vatican Council and the debates of the post conciliar era His engagement with critical theory hermeneutics and biblical scholarship culminated in his groundbreaking Christological trilogy which marked Schillebeeckx as one of the most significant and innovative thinkers of his time By building an overview of recent research into Schillebeeckx's writing the contributors shed new light on his influence and ongoing relevance in contemporary theology Beginning with the roots of Schillebeeckx's views on metaphysics spirituality and faith the essays then move to his work during and after the Second Vatican Council and then to his engagement with new directions in philosophy and his renewal of classical topics such as creation theological and soteriological anthropology and eschatology Culminating with an analysis of theology and culture this handbook thoroughly explores the implications of Schillebeeckx's theology for a contemporary readership

For You Alone Terry A. Veling, 2014-04-18 The works of Emmanuel Levinas a survivor of the Nazi horror are striking in the constancy of their thought and the strength of their appeal We are not condemned to evil and hatred rather we are called to be for each other *For You Alone* explores the relational and religious quality of Levinas work Our lives are always twofold rather than one and the same A relational life is dependent on encounters that are revelatory Revelation means that life is no mere sameness but is tied to the revelation of the other to you

Here is transcendence par excellence Here is what the name of God signifies the relational and ethical bond that takes us outside ourselves toward the other in our midst What could be more natural more human or more divine than to speak of the relational quality of life An answerable life means that we are asked after called required Here I am under your gaze Levinas writes obliged to you your servant In the name of God **Cherish Each Moment** Mary E. Jackson,2019-11-19 After losing her beloved mother to cancer Mary Jackson realized she needed to live out her mom s poetic poignant reminder to cherish each moment Those words not only led to the creation of a book title but also a song tribute the personal commitment to make each moment last and a dedication to sharing her journey with others Within a diverse collection featuring poems spoken word inspirations and reflections Jackson shares the rhythms of an unshakeable heart insight that illuminates the soul encouragement that beckons us to move beyond present circumstances and comfort that reaches its arms around us and draws us in Throughout this compilation others will learn to celebrate each moment practice gratitude reflect on love and faith embrace God s mercy and grace and keep the faith despite life s challenges Cherish Each Moment shares inspirational writings that offer others time to observe and celebrate every moment in life as a gift from God This book of poetry will bless your life inspire you and bring you hope Rev Latoya Moseley The Community of the Weak Hans-Peter Geiser,2013-03-28 Social postmodernism and systematic theology can be considered the new pair in some of the most creative discussions on the future of theological method on a global scale Both in the academy and in the public square as well as in the manifold local and pastoral moments of ministry and community social activism the social the postmodern and the theological intermingle in engaging and border crossing ways The Community of the Weak presents a new kind of jazzy fundamental theology with a postmodern touch using jazz as a metaphor writing ethnographically messy texts out of the personal windows of lived experiences combining fragments of autobiography with theological reconstruction A comparative perspective on North American and European developments in contemporary systematic theology serves as a hermeneutical horizon to juxtapose two continents in their very different contexts The author proposes a systematic and fundamental theology that is more jazzy global and narrative deeply embedded in pastoral ministry to tell its postmodern story *Edward Schillebeeckx and Contemporary Theology* Lieven Boeve,Frederiek Depoortere,Stephan van Erp,2010-12-09 *Salvation in the World* Stephan van Erp,Christiane Alpers,Christopher Cimorelli,2017-09-07 What happens when Edward Schillebeeckx s theology crosses paths with contemporary public theology This volume examines the theological heritage that Schillebeeckx has left behind as well as it critically assesses its relevance for temporary theological scene In tracing the way s in which Schillebeeckx observed and examined his own context s increasing secularization and concomitant development toward atheism the contributors to this volume indicate the potential directions for a contemporary public theology that pursues the path which Schillebeeckx has trodden The essays in the first part of this volume indicate a different theological self critique undertaken in response to developments in the public sphere This is followed by a thorough examination of the degree to

which Schillebeeckx succeeded in leading Christian theology ahead without merely accommodating the Christian tradition to current societal trends The third part of the volume discusses the issues of climate change social conceptions of progress as well as the evolutionary understandings of the origins and purpose of religions The final part examines Schillebeeckx's soteriology to contemporary discussions about wholeness

The Christian Science Journal, 1923

Theological and Ethical Perspectives on Climate Engineering Forrest Clingerman, Kevin J. O'Brien, 2016-09-09 The climate is changing as an unintended consequence of human industrialization and consumerism Recently some scientists and engineers have suggested climate engineering technological solutions that would intentionally change the climate to make it more hospitable This approach focuses on large scale technologies to alleviate the worst effects of anthropogenic climate change This book considers the moral philosophical and religious questions raised by such proposals bringing Christian theology and ethics into the conversation about climate engineering for the first time The contributors have different views on whether climate engineering is morally acceptable and on what kinds of climate engineering are most promising and most dangerous but all agree that religion has a vital role to play in the analysis and decisions called for on this vital issue Calming the Storm presents diverse perspectives on some of the most vital questions raised by climate engineering Who has the right to make decisions about such global technological efforts What have we learned from the decisions that caused the climate to change that might shed light on efforts to reverse that change What frameworks and metaphors are helpful in thinking about climate engineering and which are counterproductive What religious beliefs practices and rituals can help people to imagine and evaluate the prospect of engineering the climate

Creation Andy Ross, 2022-07-29 Everything we have ever experienced has been mediated through the wonder of creation But where does it all come from and why do we exist at all God is eternally creating Each plant animal and thought is an expression of God's being The second volume of this theology for the HERE and NOW is a meditation on God's creative process When was the beginning Why does God create How does God create By asking these questions we discover a God that is both immanent and transcendent God is creating here and now All we have to do is look

Bonded in Christ's Love Denise Lardner Carmody, John Carmody, 1986 An introduction to the theology of the Church that explores what it means to be a member of the Church today through a survey of biblical and historical background and a look at a constructive contemporary model

Divine Freedom and Revelation in Christ Alexander Garton-Eisenacher, 2022-12-12 Christianity claims that the incarnation provides reliable knowledge about God but also that the incarnation was undertaken freely and thus need not have happened Alexander Garton Eisenacher resolves this tension between epistemological reliability and divine freedom building particularly from the work of Karl Barth Garton Eisenacher offers a fresh reading of the Church Dogmatics that demonstrates how Barth's theology provides a promising starting point but notes that his argument is ultimately undermined by the doctrine of eternity within which it is framed The author overcomes this issue by showing how the promising motifs employed by Barth can be authentically derived from the

classical doctrine of eternity instead In so doing this work shows that reading classical eternity against a Barthian background also serves to draw out a more temporal interpretation of the doctrine than its contemporary characterization reclaiming it as a viable Christian understanding of God's relationship to time

Al-Ghazali's Philosophical Theology
 Frank Griffel, 2009-05-28 The Muslim thinker al Ghazali d 1111 was one of the most influential theologians and philosophers of Islam and has been considered an authority in both Western and Islamic philosophical traditions Born in northeastern Iran he held the most prestigious academic post in Islamic theology in Baghdad only to renounce the position and teach at small schools in the provinces for no money His contributions to Islamic scholarship range from responding to the challenges of Aristotelian philosophy to creating a new type of Islamic mysticism and integrating both these traditions falsafa and Sufism into the Sunni mainstream This book offers a comprehensive study of al Ghazali's life and his understanding of cosmology how God creates things and events in the world how human acts relate to God's power and how the universe is structured Frank Griffel presents a serious revision of traditional views on al Ghazali showing that his most important achievement was the creation of a new rationalist theology in which he transformed the Aristotelian views of thinkers such as Avicenna to accord with intellectual currents that were well established within Muslim theological discourse Using the most authoritative sources including reports from al Ghazali's students his contemporaries and his own letters Griffel reconstructs every stage in a turbulent career The al Ghazali that emerges offers many surprises particularly on his motives for leaving Baghdad and the nature of his seclusion afterwards Griffel demonstrates that al Ghazali intended to create a new cosmology that moved away from concerns held earlier by Muslim theologians and Arab philosophers This new theology aimed to provide a framework for the pursuit of the natural sciences and a basis for Islamic science and philosophy to flourish beyond the 12th century Al Ghazali's Philosophical Theology is the most thorough examination to date of this important thinker

Southern Presbyterian Review, 1858 *A Partner in Holiness* Rabbi Jonathan P. Slater, DMin, 2014-07-17 Find inspiration for a satisfying spiritual life of practice through the combination of contemporary mindfulness meditation and classical Hasidic spirituality The soul yearns to feel connected to something greater and to know happiness despite personal suffering and seemingly endless need Surprisingly the perspectives of the late eighteenth and nineteenth century Hasidic spiritual teachers offer a radically different Jewish theology that speaks directly to today's spiritual seekers whose faith has been shattered by both modernity and the Holocaust These masters taught of interdependence interconnectedness selflessness service and joy anticipating the insights of contemporary science and twenty first century spirituality Bringing together the teachings of beloved Hasidic master Rabbi Levi Yitzhak of Berdichev 1740 1809 and the practice of mindfulness meditation Rabbi Jonathan P Slater reveals a new entrance into Jewish spiritual life Covering the Five Books of Moses these

two volumes present accessible translations of selections from Kedushat Levi R Levi Yitzhak s Hasidic Torah commentary which emphasizes our spiritual capacity to transform consciousness and so our life experience The selections are paired with Rabbi Slater s commentaries to illuminate their message The lessons in Kedushat Levi were not originally intended as intellectual curiosities or as demonstrations of R Levi Yitzhak s brilliance They were meant to inspire religious passion and deeper spiritual practice I believe that these teachings will come to life in us when we bring them into our lives in practice from the Introduction

Love Does Not Control Thomas Jay Oord, John Loppnow, Annie DeRolf, Christy Gunter, Lon Marshall, 2023-04-03 That love does not control seems obvious to many people And yet the temptation to control often with good motives is strong The long term results of yielding to this temptation damage everyone Contributors to *Love Does Not Control* explore uncontrolling love and a vision of God as uncontrolling They do so from their perspectives as therapists psychologists and counselors Writers ponder what uncontrolling love might mean for human healing Open and relational theology operates as the underlying framework for most contributors That theology fits nicely with the belief that love is uncontrolling Open and relational theology rethinks divine power in light of love and postulates what it might mean for creatures to imitate their Creator s uncontrolling love The essays in *Love Does Not Control* are diverse Readers may discover some differences of opinion as they move from essay to essay But contributors share in common the quest to explore what uncontrolling love means for issues in counseling psychology and or therapy These essays have a power that goes beyond mere theoretical reflection The ideas in these pages have the capacity to transform our living And even reading *Love Does Not Control* has the potential to become an exercise in uncontrolling love

From God'S Mouth to My Ears Agnes Davis, 2017-04-25 This book was designed as a Daily Affirmation tool I suggest that you select one each day at random and you might find that it is the right one for whatever situation you are experiencing on that very day When it comes to prayer and our quiet time with God most of us simply want to talk to tell God about all of our hopes desires painful hurts and sorrows While God desperately wants to hear from us once in a great while someone comes along to remind us again that more of our time with God should be spent listening rather than talking Agnes Davis has accomplished that in *From Gods Mouth to My Ears* What a gift she has provided to us as she shares her deepest moments with God I have found these brief devotionals to be uplifting encouraging and challenging This is a much needed work that many of us have searched for for a long time Rev Joe A Walker
