DeFazio,William David Spencer,2016-05-03 How does the future look to us Well clearly we realize we now live in a world of screens from the microcosmic universe of to smartphone to the imposing vigil of the multiplex giants looming over us in Imax and 3 D more real than real and to all the screens in between from computers to iPads to muted high definition flat screens pouring out images in homes restaurants banks businesses schools doctors offices and hospitals and on and on everywhere we turn We cannot change this reality so what these Christians and so many like them are doing is trying to find ways to redeem what we put on these screens what message we are sending out in word and image to the watching world So clearly our task whether we have been called to

create or not is to join these artists as screen redeemers assisting the Holy Spirit in reconciling the world to God 2 Cor 5 18 19 through helping the pervasively influential means of the media adjust its goals to the mission of Jesus Christ
