God World Charles Henry Brent:

With God in the World Charles Henry Brent, 2015-12-05 With God in the World from Charles Henry Brent American Episcopal bishop who served in the Philippines and western New York 1862 1929 **With God in the World** Charles H. Brent, 2020-07-20 Reproduction of the original With God in the World by Charles H Brent *With God in the World* Charles Brent, 2016-08-17 There is a serenity and insight in this little book which makes it a very real treasure to thoughtful minds It breathes a spirit of depth and intellectuality which commands the mind but at the same time is so devout and earnest that the heart is stirred There is a largeness of view about the book which is a pleasant surprise in so devoted a churchman Times Boston Such a volume as the Rev Charles H Brent s *With God in the World* has special value for that increasing multitude which longs to have someone speak intimately about the deepest and most sacred relationships with God and the most searching and individual experiences Mr Brent meditates upon rather than discusses the whole subject of prayer with a largeness and sanity of view a depth of insight and a spirit of reverence which will make his little volume a revelation to many to whom prayer has become perfunctory or who have never grasped its real significance or understood its place in the spiritual life In this little volume there is one thought among many that is full of consolation Mr Brent points out the significance of the silence of God and makes it clear that sometimes silence is an answer that infinite love often finds wiser and truer expression in silence than in speech just as the wise parent refuses to answer a question when by a little thought or a little searching the child may answer the question for itself The divine love differs from the human pre eminently in this while it is infinitely tender it is also capable of both giving and bearing pain when pain is a part of growth The Outlook Singularly straightforward manly and helpful in tone They deal with questions of living interest and abound in practical suggestions for the conduct of life The chapters are short and right to the point The great idea of Christian fellowship with God and man is worked out into a fresh and original form and brought home in a most effectual way The Living Church The subjects treated in this book are not only admirably chosen but they are arranged in a sequence which leads the mind naturally to ever higher levels of thought yet so simply are they dealt with and in such plain language that no one can fail to grasp their full meaning St Andrew s Cross The book of so successful and earnest a minister must possess a certain interest especially when he sends it forth with the hope that it may help a few here and there to take up life s journey with steadier steps and cheerier mien We hope it will as we feel almost sure it will for there must be many who will be touched by its earnestness and respond in spirit to the hopeful manly papers which compose it The Literary World Intended to deepen the sense of religion in daily life The Spectator "Walking with God" Charles Henry Brent, 1956 *The Boy and the Sunday School* John L. Alexander, 2019-12-16 In *The Boy and the Sunday School* John L Alexander deftly navigates the complexities of childhood faith and the formative power of community through the lens of a young boy s experiences This poignant narrative balances vivid character development with lyrical prose reflecting the emotional and spiritual landscapes of growing up
