

God and Alcoholism

Our Growing Opportunity in the 21st Century

"We have grown in numbers, wealth, and power as no other nation has ever grown. But we have forgotten God. . . . Intoxicated with unbroken success, we have become too self-sufficient to feel the necessity of redeeming and preserving grace, Too proud to pray to the God that made us!"

Abraham Lincoln, 1863

Dick B.

"Many thanks to Dick B., the leading historian of A.A., for this unique and valuable study."

Christianity and Alcoholics Anonymous: Competing or Compatible? Ernie Tolin, 2012-09-12 Defense of the Gospel None could deny that A A has taught hundreds of thousands of alcoholics to live in continuous sobriety But a bigger question is By what means and with what consequences does A A accomplish this minor miracle Could we for example lay A A literature side by side with Scripture and conclude the two are in steady harmony Or could it actually be possible that they contradict one another And if that were the case would we be wise to point to our continued sobriety as proof we have also been reconciled with God By contrasting what Scripture has to say on the subject of addiction this book will uncover A A s teachings at great depth Simultaneously it will help you to precisely diagnose the deception of Alcoholics Anonymous Followers of Christ A A members and their families can ill afford to miss dozens of eye opening revelations as David Simmons delivers his

compassionate message of hope See to it that no one takes you captive through philosophy Colossians 2:8 In this is love not that we loved God but that He loved us and sent His Son to be the propitiation for our sins 1 John 4:10

Finding God in Alcoholics Anonymous Michael, 2009-12-02 Many people hurt and have suffered needlessly under the umbrella of Christianity They have been prejudiced into believing false doctrines of a punishing controlling and absentee God who is waiting to zap you when you least expect it These rubs always push people away People know in their heart who God is and who He is not Believing in a loving Father who doesn't want to control your will makes sense to most God wants us to make our own decisions The atheist and agnostic would gladly follow biblical teachings if they heard the truth Unfortunately we all limit ourselves and God by unhealthy beliefs God takes our pain guilt and fear when we search for a better way of life and find the path that allows us to go boldly before Him Relief will come The hole in the gut closes Fear and anger vanish and the truth sets you free The old timers of Alcoholics Anonymous had discovered a new outlook that today is lost We too need to let go of past thinking patterns that hinder us and search for something that works by doing what Wilson instructed us to do Seek God This book doesn't have all the answers What it does is start people on the ultimate truth through scripture of what the Bible teaches and what God's will is for our lives Prove it out for yourself Study to show thyself approved

Devotions for the Alcoholic Christian Carl Nelson, 1988 How does a Christian ever get started on the road to alcoholism Where was God when I begged him not to let me take that next drink How can a Christian cope with the guilt of actions committed while under the influence How can I resume my role as an active church member and face a congregation who knows what I was like when I was drinking In the search for answers to these troubling questions the recovering alcoholic receives a great deal of spiritual input but has often had a difficult time finding specifically Christian literature to supplement the recovery program In response to that very real and urgent need Rev Carl Nelson has prepared

Sami G,2018-08-22 Sami spent years in denial of her alcoholism She is cross addicted and accepted she was a pill popper long before she admitted to her disease of being an alcoholic Thirty three years of precious moments family events and relationships were stolen due to this insidious disease She was sick mentally physically emotionally and spiritually until the day God guided her to a program of recovery Sami believes in destiny and it was God who brought her to Alcoholics Anonymous In return she is convinced AA brought her to the personal relationship she has with God While in the rooms she experienced her first of many spiritual experiences with God and it was astounding and she knew it was fate She at last reached the beginning of her journey to a happy joyous and free life From the very beginning she knew the program only works if you work it and that you must go to any length to remain sober Most importantly she learned she is not alone because through her discovery there are millions of others like her admitted alcoholics yet others who have not made it to the rooms Journaling has been a life line to her soundness of mind She believes her book will be instrumental to others who struggle thinking they are alone in this dark hell of alcoholism A disease so cunning baffling and powerful that it convinces us we do not have a disease
