Characters of the Bible David Waddell,2015-02-12 As we study the Bible we may believe we are far removed from the people described on those pages After all many played significant roles in helping Jesus spread the gospel Most of us find it difficult if not impossible to picture ourselves in that disciple type role because we are sinful and don't always make the wisest decisions In Characters of the Bible Finding My Stories in Their Stories author David Waddell shares his discovery of his similarity to characters in the Bible He found a relationship with the woman in John 8 111 He saw himself in a crowd of Pharisees urging punishment of a woman who did something they had done or wanted to do Waddell was the woman looking for love in all the wrong places He was the woman at the mercy of Jesus who was forgiven of all her sins without defending herself Waddell realized the connection he had with biblical characters because like him and like us they were sinful And if

were truthful with ourselves we can be mean deceitful conniving and abusing just like many people described in the Bible Yet God used them for His purposes and He will use us if we let Him In Characters in the Bible Finding My Stories in Their Stories we can find comfort in knowing we are just as flawed goofy wrong and misdirected as these biblical characters It is through the lives of these people that we can see so much of ourselves
