### **America's Destiny: Choosing God's Will or Ours (A Historical & Latter-day Saint Perspective)** Tad R.

Callister,2023-07-10 America's Destiny sets forth compelling evidence of America's divine origin and destiny that it was a nation founded upon divine providence not coincidence as testified repeatedly by the Founding Fathers respected historians and statesmen This revised edition also adds numerous scriptures and statements from prophets of God attesting to this truth With that perspective America's Destiny asks the question that should be on all of our minds What is the greatest challenge facing our nation today and how should we confront it in a way that pleases God The economy national security immigration gun control poverty racism crime national pandemics climate change While each of these is a valid concern and deserves attention none of them strikes at the heart of our greatest challenge namely finding a way to build stronger homes and bring about a return to family God and moral values To put our prime focus on challenges other than these is to strike at the leaves not the root of the problem It is now our choice and America's choice to place our trust in the wisdom of God or the wisdom of the world to be a nation under God or without God If we become a nation under God then we become eligible to receive the promise Blessed is the nation whose God is the Lord Psalm 33:12 God Versus Socialism Joel McDurmon,2009

*The Beloved Community* Charles Marsh, 2008-07-31 A noted theologian explains how the radical idea of Christian love animated the African American civil rights movement and how it can power today's social justice struggles Speaking to his supporters at the end of the Montgomery bus boycott in 1956 Martin Luther King Jr declared that their common goal was not simply the end of segregation as an institution Rather the end is reconciliation the end is redemption the end is the creation

of the beloved community King's words reflect the strong religious convictions that motivated the African American civil rights movement As King and his allies saw it Jesus had founded the most revolutionary movement in human history a movement built on the unconditional love of God for the world and the mandate to live in that love Through a commitment to this idea of love and to the practice of nonviolence civil rights leaders sought to transform the social and political realities of twentieth century America In The Beloved Community theologian and award winning author Charles Marsh traces the history of the spiritual vision that animated the civil rights movement and shows how it remains a vital source of moral energy today The Beloved Community lays out an exuberant new vision for progressive Christianity and reclaims the centrality of faith in the quest for social justice and authentic community

**The Silence of Swastika** Swastika Singh, Dead Writers Club, Lin Xun, The swastika is silent But it has so much to say The symbol's many secrets were revealed by the world renowned historian Dr Rex Curry referenced inside Dr Curry's work is endorsed in The Silence of Swastika a video documentary produced by AKTK in India The lead reporter confirmed Dr Curry's discovery stating It is also claimed that one of the reasons for choosing this symbol was the S in Hitler's party name National Socialist which is not unreasonable it is in Hitler's own book at 30 30 The documentarians learned about the swastika from educational outreach programs about Dr Curry's academic achievements They learned that Hitler didn't call his symbol a swastika He called it a Hakenkreuz hooked cross because it was a type of cross from the Christian religion The documentary is a massive adoption and rehashing of Dr Curry's earlier work The video documentary was produced before Dr Curry's latest jaw dropping revelation and that is unfortunate In 2022 Dr Curry discovered the reason why Hitler renamed his political party the DAP to NSDAP National Socialist German Workers Party REASON because Hitler needed the word SOCIALIST in his party's name so that Hitler could use swastikas as S letter shaped logos for SOCIALIST as the party's emblem It is important to note that Hitler didn't rename his party the National Christian German Workers Party nor the Christian Socialist German Workers Party Here are some of the many secrets revealed about the swastika

1 NEW SWASTIKA DISCOVERY The swastika is the reason why Hitler renamed his political party from DAP to NSDAP National Socialist German Workers Party because he needed the word Socialist in his party's name so that Hitler could use swastikas as S letter shaped logos for SOCIALIST as the party's emblem The party's name had to fit in Hitler's socialist branding campaign that used the swastika and many other similar alphabetical symbols including the SS and SA and NSV and VW etc He was selling socialism by selling flags and related merchandise It resembled the advertising campaign of the American socialist Francis Bellamy The new discovery part includes the fact that the public doesn't know that Hitler's use of the swastika as alphabetical symbolism is a reason why he changed the name of the party adding the word socialist The new discovery is also that it is additional proof that Hitler employed the swastika as alphabetical symbolism of S letter shapes for his socialism The discoveries are from the historian Dr Rex Curry's work

general public But Mein Kampf was a bestseller as recently as 2017 Its popularity grows worldwide It has always been one of Amazon s better selling book titles Hitler and Marx are always trending on the internet Germany s two top white male racist political philosophers stay in vogue despite their stale policies Ideas from the Deutschland duo are adored and repeated often on social media and by the mainstream media MSM in the USA Hitler Stalin Mao Mussolini and other tyrants were influenced by propaganda in the USA including the childish American socialists Francis Bellamy and Edward Bellamy Both Bellamy cousins wanted government to take over all schools to teach socialism to all youngsters worldwide Francis Bellamy was the author of the Pledge of Allegiance to the flag the source of the infamous stiff armed salute adopted later under German socialism and Adolf Hitler Long before the Deutschland fad began American schoolchildren were taught to chant in unison and perform the same salute each day in government schools that imposed segregation by law and taught racism as official policy Anyone who rejected the ritual in the schools was persecuted America s Nazi salute was often performed by public officials in the USA from 1892 through 1942 What happened to old photographs and films of the American Nazi salute performed by federal state county and local officials Those photos and films are rare because people don t want to know the truth about the government s past TV newspapers and other MSM will not show a historic photo or video of the early American straight arm salute nor mention its history and impact worldwide The People's Press ,1909 **Germany 1989** Lothar Kettenacker,2014-01-14 In autumn 1989 the world watched transfixed as East German citizens demonstrating under the banner We are the people staged the only successful totally peaceful revolution in German history By October 1990 the process of reunification was formally concluded bringing together a nation that had been divided for almost four decades Now nearly twenty years later it is possible to judge the causes and consequences of the revolution more clearly Was the fall of the Berlin Wall an unexpected fluke or was it in fact the result of a long process of engagement between East and West And did the momentous events of 1989 really signal the start of a bright new future for a united Germany In this probing and wide ranging account Lothar Kettenacker considers the background behind the division of Germany and explains how the Berlin Wall and its death trap border proved to be the most horrendous manifestation of East West antagonism He also looks beyond 1990 to show how the confusion caused by the sudden collapse of the GDR and the fusion of two radically different economies is proving to be a challenge that will preoccupy Germany for generations to come
