Umidi, 2020-10-27 A guide to both sides of the candidate process With humor and insight born of experience Joseph Umidi helps candidates approach a selection process by clarifying their personal vision for ministry connecting heart to heart with decision makers and asking the right people the right questions Search committee members will find guidance in analyzing a church's readiness for change determining what is most needed and evaluating a candidate's strength in meeting those needs Eleven appendixes provide key model documents that will help the decision making process

Preparing to Bear Arms Delton Ellis, 2006-09

Book 14 Mysticism HC Kurt Jurgensmeier, 2012-08-22 Does God speak to us apart from Scripture The belief that God provides us with extra biblical revelation for extra biblical decision making what we term as mega mysticism is incredibly popular Hence there are a multitude of books explaining how to hear from God Once again we go to Scripture to answer vital questions regarding how God communicates with us today and come to the following conclusions The idea that God grants extra biblical amoral revelation directly to our minds is not supported in Scripture God does not have a private personal will for our lives that we must discern outside of Scripture The translation of paraklete in the Gospel of John as Counselor is incorrect The wisdom we are to ask for in James 1 is entirely moral in nature as described in James 3 It does not include answers to all the questions that mega mystics claim God wants to answer Mega mysticism is leading many Christians astray in dangerous ways

The Image of Bar Kokhba in Traditional Jewish Literature

Richard G. Marks, 2004-05-01 Marks painstaking investigation into the figure of Bar Kokhba in traditional Jewish literature has indeed provided a corrective to those on both sides of the Zionist political spectrum and in doing so he has once again shown that historical investigations are often quite useful in elucidating and clarifying various modern debates Jewish Political Studies Review This is a very significant contribution to both Jewish literature and history The materials which Marks works through are well known but at many points he offers original interpretations He provides a comprehensive synthesis of all the historical interpretations of Bar Kokhba Richard D Hecht University of California Santa Barbara Bar Kokhba led the Jewish rebellion against Rome in 132-135 A.D. which resulted in massive destruction and dislocation of the Jewish populace of Judea In early rabbinic literature Bar Kokhba was remembered in two ways as an imposter claiming to be the Messiah and as a glorious military leader whose successes led Rabbi Akiva one of the great rabbinic authorities of Jewish tradition to acclaim him the Messiah These two earliest images formed the core of most later perceptions of Bar Kokhba so that he became the prototypical false messiah and the paradigmatic rebel of Jewish history The Image of Bar Kokhba in Traditional Jewish Literature is a history of the perceptions that later Jewish writers living in the fourth through seventeenth centuries formed of this legendary hero villain whose actions in their eyes had caused enormous suffering and disappointed messianic hopes Richard Marks examines each writer's account individually and in the context of its period exploring particularly political and religious implications He builds a history of images and looks at larger patterns such as the desacralizing of traditional imagery His findings raise timely political questions about Bar Kokhba's image among Jews today
