Warner Wallace,2013-01-01 Written by an L A County homicide detective and former atheist Cold Case Christianity examines the claims of the New Testament using the skills and strategies of a hard to convince criminal investigator Christianity could be defined as a cold case it makes a claim about an event from the distant past for which there is little forensic evidence In Cold Case Christianity J Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs Including gripping stories from his career and the visual techniques he developed in the courtroom Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity A unique apologetic that speaks to readers intense interest in detective stories Cold Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity *Going Deeper with God* Douglas L. Mead MSSW,2021-06-30 Thank you very much for inviting me to read this book I found it to be a real spiritual journey a refresher to a relationship I have enjoyed with our Lord for sixty years and a treasure trove of new insights and clarifications that serve to strengthen my faith in God Jack Conlin CPA CGMA retired director of corporate finance the Salvation Army US Southern Territory God Wants a Deeper Relationship with You This book digs deeper into exploring many of the challenges we face in establishing and maintaining a meaningful relationship with God Unfortunately there are many differing viewpoints out there in the Christian community about this which is creating much confusion We hear messages saying God is in control of every single thing We hear we must listen for the voice of God We hear God has a plan for our lives We hear we are to get out of the way and let God handle our problems We hear various ideas of how the Holy Spirit works We hear God s providence will protect us from harm Many people are being drawn to Christian teachings which speak of a mighty God who wants to regularly do big audacious and miraculous things in people s lives Although this sounds enticing how does God really interact with us and our world To dig deeper we must question more Therefore topics are addressed with probing questions and insightful analysis So we ask How important is it for us to find the truth about God If faith is built on false premises how good can that faith be Many topics are addressed and each chapter is full of interesting details This book is also a great resource for Bible classes and sermon material

Dying to Tell You Michael Hunter, 2021-11-19 Jesus tells us that if one desires to be his disciple they must deny himself and take up his cross and follow me Mark 8:34 But what does it mean to take up your cross and how can we do this The apostle Paul said that he desired to know nothing except Jesus Christ and him crucified 1 Corinthians 2:2 and elsewhere even claimed to have been crucified with Christ Galatians 2:20 How can one join Paul and know Jesus in his Crucifixion The answer is to take Jesus at his word From the cross Jesus spoke seven times These sayings summarize the gospel and explain how we can know him in his Crucifixion On the cross Jesus was literally Dying to Tell You how his death fulfilled God's eternal plan for our redemption Unlike other studies of the last sayings of Jesus from the cross Dying to Tell You takes a new approach and views the sayings together as a whole revealing how together they form the foundation to understanding the gospel of Jesus Originally motivated to seek a resolution to the dilemma of which saying is the last both Luke and John appear to report the last saying Dying to Tell You establishes a new order for the sayings based on a detailed examination and integration of the four Crucifixion narratives contained in the Gospels While each saying is individually examined rather than handling them as isolated statements Dying to Tell You demonstrates how these sayings comprise the final message of Jesus his sermon on the cross Along the way Dying to Tell You also provides assurance that the Bible can be trusted and is a historically accurate resource demonstrates that the cross is the centerpiece of redemptive history and illustrates how Jesus and the Crucifixion serve to fulfill the scriptures and provide for the salvation of mankind Dying to Tell You is nothing less than one disciple's spiritual awakening and quest to know Jesus Christ and him crucified through the sayings he made from the cross and gospel they proclaim
