*God's Thunderbolt* Carol Buchanan, 2014 Winner of the 2009 Spur Award for Best First Novel by the Western Writers of America as a work whose inspirations image and literary excellence best represent the reality and spirit of the American West December 1863 Daniel Stark New York lawyer and radical abolitionist has come to the gold fields of Alder Gulch in what will become Montana to get enough gold to make restitution to the clients whose assets his father gambled away before killing himself But where ruffians rule and murder is tolerated Dan realizes that he will likely not survive to take his gold home unless he joins with others Union and Confederate sympathizers alike who form a Vigilante group to establish law and order With Dan as Vigilante prosecutor they hunt down suspected members of a criminal conspiracy operating in the area As the Vigilantes identify and try the conspirators in secret tribunals Dan faces the horrible prospect of hanging both a friend and the husband of the woman he loves

**Montana Vigilantes, 1863-1870** Mark C. Dillon, 2018-10-22 A history and legal analysis of vigilantism in Montana in the 1860s from a state Supreme Court justice and legal historian Historians and novelists alike have described the vigilantism that took root in the gold mining communities of Montana in the mid 1860s but Mark C Dillon is the first to examine the subject through the prism of American legal history considering the state of criminal justice and law enforcement in the western territories and also trial procedures gubernatorial politics legislative enactments and constitutional rights Using newspaper articles diaries letters biographies invoices and books that speak to the compelling history of Montana s vigilantism in the 1860s Dillon examines the conduct of the vigilantes in the context of the due process norms of the time He implicates the influence of lawyers and judges who like their non lawyer counterparts shaped history during the rush to earn fortunes in gold Dillon s perspective as a state Supreme Court justice and legal historian uniquely illuminates the intersection of territorial politics constitutional issues corrupt law enforcement and the basic need of citizenry for social order This readable and well directed analysis of the social and legal context that contributed to the rise of Montana vigilante groups will be of interest to scholars and general readers interested in Western history law and criminal justice for years to come Justice Dillon s book reads like a Western Dillon masterfully sets the stage for the rise of the Montana vigilantes by bringing alive the people who created and lived in mining towns There are heroes villains shady characters and more than a few politicians businessmen lawyers and judges What sets Dillon s book apart from historical texts and fictional tales is that he provides legal analyses and explanations of the trials sentences due process and procedures of the day And shed s grisly light on the details of the hangings Dillon s unique background as an attorney and judge and his downright dogged research are what makes this complex story so engaging The prose is clear crisp and gets to the point The book is satisfying because it answers contemporary nagging questions about the law regarding the vigilantes and the hangings Gregory Zenon Brooklyn Barrister Dillon s analysis of the vigilantes of Bannack Alder Gulch and Helena in Montana Territory is the most detailed insightful and legally nuanced yet produced This book is a model for historians to

follow when dealing with 19th century criminal proceedings Establishing historical context includes examining the laws in books as well as the law in action Gordon Morris Bakken Great Plains Research Where Lilacs Still Bloom Jane Kirkpatrick,2012-04-17 One woman an impossible dream and the faith it took to see it through inspired by the life of Hulda Klager German immigrant and farm wife Hulda Klager possesses only an eighth grade education and a burning desire to create something beautiful What begins as a hobby to create an easy peeling apple for her pies becomes Hulda s driving purpose a time consuming interest in plant hybridization that puts her at odds with family and community as she challenges the early twentieth century expectations for a simple housewife Through the years seasonal floods continually threaten to erase her Woodland Washington garden and a series of family tragedies cause even Hulda to question her focus In a time of practicality can one person s simple gifts of beauty make a difference Based on the life of Hulda Klager Where Lilacs Still Bloom is a story of triumph over an impossible dream and the power of a generous heart Beauty matters it does God gave us flowers for a reason Flowers remind us to put away fear to stop our rushing and running and worrying about this and that and for a moment have a piece of paradise right here on earth Frank Reade Junior With His New Steam Man Chasing A Gang Of "Rustlers" Luis Senarens,2020-05-03 Plunder every ranch kill everyone burn it all down This ruthless band of cutthroats the Montana gang known as the Rustlers is fueled by fear throughout the wild frontier but Frank Reade Junior s astonishing steam automaton fears no man *The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States* American Film Institute,1993 The entire field of film historians awaits the AFI volumes with eagerness Eileen Bowser Museum of Modern Art Film Department Comments on previous volumes The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog Thomas Cripps Endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr **Wid's Year Book** ,1922 **Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971** New York Public Library.
