Arkin, 2020-10-13 Alan Arkin one of the most beloved and accomplished actors of our time reveals a side of himself not often shown on stage or screen Like many teenagers 16 year old Alan Arkin had it all figured out Then came young adulthood and with it a wave of doubt so strong it caused him to question everything he thought he knew about himself and the world Ever skeptical and full of questions Arkin embarked on a spiritual journey to find something anything to believe in An existential crisis in his 30s led him to the study of Eastern philosophy Soon he began opening himself to the possibility that there was more to life than what he had simply seen heard or been taught In this mini memoir the 84 year old actor shares his powerful spiritual experiences from his brush with reincarnation to the benefits of meditation In a gruff earthy voice that sounds more suited to a New York cabbie than a spiritual guide he shows us that wisdom can come from the most unexpected places and teachers *Out of My Mind* is a candid relatable and delightfully irreverent take on how one man went searching for meaning and ended up discovering himself **Out of My Mind** Martha B. Wood, 2014-02-17 OUT OF MY MIND is a delightful

eclectic collection of engaging narratives by author Martha Wood These were developed as the authors mind was as she puts it Set free to play Written in short story style some of the anecdotes are amusing as in *Funny Names* or *Things I Always Wanted to Do But Thank God I Havent* some serious like *It Shouldnt Hurt* or *The N Word* some fictional such as *Elizabeth the Queen* or *Treasures from the Attic* some poignant as in *No One Ever Says Hi* or *Where Sorrow and Gladness Meet* while yet others are instructive like *Dealing with the Odor* and *Until We Eat Again* For a little mystery there is *The Gunslinger* and *Congratulations on a Dedicated Life* All though give voice to thoughts set free and permitted expression **Out of My Mind**

century says Daniel Pink As theologians we cannot escape the transition from the information age to the conceptual age of the twenty first century In the information age the theologian could give answers based on the best information but in the

twenty first century information is on hand Empathy and understanding however are in scant supply today In the information age there was no room for doubt certainty was the hallmark of a successful information worker But today uncertainty is a certainty thanks to globalization the information revolution and even quantum mechanics Uncertainty has been grafted into our collective consciousness It therefore cannot be theological business as usual It cannot be about giving answers it is more about finding the best questions to be answered It cannot be about winning theological arguments it is more about living in God s regenerative story while we find ourselves in the liminal space of uncertainty It cannot be about holding strong opinions it is more about creating space for life to allow God s generosity to flow through us Out of My Mind tells the story of such a transition
