Redux: Being the best bounty hunter in Nexus is awesome but it comes with a price. Saige Sterling's fame is growing and her services are in increasingly high demand. When one of Lord Gilden's allies requests her assistance, she has no choice but to accept. If she messes this job up, Saige could end up making a powerful enemy. Drake has a mission for his entire team and they'll have to work together again. The evil fairy they've been hunting is gunning for the weredragon. She has a grudge against him and she won't stop until one of them is dead. Saige's romance with her boss becomes even more precarious when a secret he's been hiding comes to light. They're at the halfway mark of retrieving all nine fragments of the spell but stealing them from the guardians is never easy. Apex: Working two jobs and not getting enough sleep is making Saige Sterling a very cranky bounty hunter. As if that isn't bad enough, Lord Gilden has found another way to punish her for quitting. He's forcing her to watch him pay her colleagues their bounties. Saige knew right from the start that this arrangement wasn't going to end well. Things take a turn for the worse when someone starts pranking her. She knows who is responsible for her torment but there's little she can do about it. Drake is aware that Saige has a temper at times. He discovers exactly how hot her rage can flare when her control finally snaps. He'll be stuck with the job of fixing the problem he created when he'd chosen his method to punish her for walking out on him. *Dead Man's Grave (DS Max Craigie Scottish Crime Thrillers, Book 1)* Neil Lancaster, 2021-07-16 The best police procedural I've read in years. Her fame is growing and she's gaining new enemies along the way. An unusual mission crops up and Saige is tasked with assisting a trusted ally. She'll have to travel away from Nexus to help solve a decades-long mystery. This time Ruen won't be going with her. She'll have to rely on a wizard for help. At long last, her relationship with Drake Gilden is progressing in the right direction. Yet nothing can ever be easy for them. The weredragon has been harboring a secret from his past that he's never told anyone. Saige will finally find out why he's been holding back but the truth won't be pleasant to hear. Pyrexia: As Saige has become well aware by now, making bargains can have unexpected consequences later down the track. She'll finally need to face Belladonna again about the sketchy deal she made with her when she agreed to steal an artifact from the catacombs. Not all bargains turn out to be terrible. Saige will be rewarded well when she repays a favor. Lord Gilden owes the fairy who helped his team rescue Aurora. Her reward could prove to be invaluable during her next journey to the underworld. One of Saige's relatives shows up unexpectedly for a visit. A

formidable huntress she isn't happy about the impending wedding between Saige's mom and her vampire fiancé. They'll need to convince her that not all supernatural creatures are evil but it won't be an easy task. Victrix After conquering eight realms of the underworld Saige Sterling and her team only have one dimension left to visit. The ninth realm will be filled with danger and powerful beings. When Aurora is taken by their enemies again Saige and Ruen will need to rescue her before they can embark on their final mission. Saige's reclusive kin have been reluctant to admit their true origins. It isn't easy discovering they aren't human like they'd always thought. They still have a destiny to fulfill and their task isn't done yet. They will need to step up and do their part during this war. Now that the end is so near Saige and Drake will need to resist their desire to complete their bond before the appointed time.
