How Golf Can Save Your Life Drew Millard, 2023-05-09. Now in paperback. A smart, insightful, funny, moving. Shea Serrano exploration of golf, an often misunderstood game and the valuable roles it can play in our lives. Golf saved Drew Millard's life and he wants it to save yours too. Drew Millard loves golf. We're talking climbing a mountain, jumping over the moon, standing outside golf's window holding a boom box, levels of love. As a kid, he'd enjoyed the game, but after college, his clubs had been gathering dust in his parents' basement. And then a bout with depression led him back home to haul them out of the unfinished storage area under the stairs. It was what the doctor had ordered. In addition to medication and therapy, Drew needed to exercise. Exercise was not something he did. But golf? Sure, why not? As Drew fumbled his way through his first round in years, he discovered that sucking at golf was his new calling. One that helped him find a sense of balance and rhythm, both on the course and in his own mind. Drew's deep emotional connection to the game inspired him to write this book, and his passion is infectious. Combining great storytelling with fascinating historical tidbits and moving personal insights, he writes about everything from how golf taught him to be a better listener, son, and friend, to how to slow down, appreciate what he has, and keep fighting the good fight. Along the way, he demystifies the customs, history, and rules of the game. Brimming with personality, accessibility, and a freewheeling spirit, *How Golf Can Save Your Life* is a celebration of the sport and an examination of all it offers. Read it and fall in love with golf for the first time or all over again. Insiders' Guide to Austin Hilary Hylton, 1999. An illustrated guide to Austin, Texas. *North Carolina's Outer Banks* Karen Bachman, GOLFING IN IRELAND Robert Armstrong, 2007-04-30. Unlike many other books written by American writers for an American market, *Golfing in Ireland* is notable in that real understanding, humour, and irreverence are key to the visitor being told exactly what they need to know. The Kerryman, Ireland is Europe's hottest golfing destination and one of the most popular golf venues for Americans eager to sample the fabled links. Author Rob Armstrong predicted the Irish golf boom in the first edition of *Golfing in Ireland*; in the third, he revisits old courses that have undergone revision or expansion and uncovers the best of Ireland's new courses. In his crisp, irreverent style, he also points out those courses that have not stood up, those that have been poorly maintained or managed, and those that have simply proved disappointing. Profiled in this edition are the magnificent Old Head Golf Club in County Cork, one of the most exciting new golf courses in the world, the extraordinarily beautiful new Ring of Kerry Golf and Country Club in County Kerry that overlooks Kenmare Bay, and the expanded golf complex at Ballyliffin in County Donegal. He also reviews

several new hotels and restaurants that cater to golfers and are near some of Ireland's best courses Armstrong's travel tips include a discussion of the Euro which will soon become the unit of currency in the Irish Republic and a warning about the proliferation of Irish golf tours
