Shawbrooks, 2016-06-01 The Hebrew Christian religion remains the most potent verifiably truthful religion on the planet It suffers horrendously from murderous oppression in the Middle East its homeland and was crushed flat by the largest political State the world has ever known Soviet Russia and it endures heavy disheartenment by flawed innuendo and secularisation throughout Europe Despite these massive attacks from mistaken religion hard line atheists and don't know can't be bothered groups yet it remains And more than this It remains philosophically socially prophetically and scientifically the largest most credible and consistent belief system on the planet Its not by accident that non violent Christianity believing in the non

violent Ten Commandments and the beautiful spirit of them in the Beatitudes can survive such intense mentalphysical violent persecution and still remain so vibrant True Christians know The only reason it is so is because the holy Messiah God of Israel is the only true God He rules over all the kingdoms of men but its only the kingdom of Christianity which knows this He loves all humans but not their thoughtsactions However only Christians recognise this and sincerely give thanks that He is their God their prophet priest and king He prophesied that enormous ungodliness would come against His church and followers but these gates of hell would not overcome it and so it is now as we head towards Armageddon and the end of the human age This book explains His prophecies and associated key milestone calculations This is one of many ways witnessing that He is the genuine unique article just as the Hebrew Christian Bible says The purpose of our existence is to have a loving relationship with Him When humans choose to reject Him it causes us to create corrupt and false gods Without realising it many religious people worship corrupt gods and atheism worships its false no God god These cannot bring a person into the paradise of fruitful everlasting life their ways effectively bring people into a fruitless everlasting living death This grieves the Messiah God of Israel because He loves fruitful life To encourage us and to verify who He is He leaves indicators throughout history evidencing even now in these days of the deeply sceptical cheating spirit that humans are without excuse come the judgement Lawrence D Shawbrooks is now retired but continues to work as an Elder in the Church oversight NLT One Year Chronological Study Bible Tyndale,2022-09-20 The greatest story ever told in engaging chronological order Discover God s Word in a new light with this unique One Year Bible broken down into manageable daily readings ordered chronologically and illuminated by study notes The One Year Chronological Study Bible arranges the Scripture in the order of its historical events enabling you to read the story of the Bible from beginning to end in 365 days Divided into 14 historical eras from creation to the story of Israel to the Resurrection and the new Earth the Bible s magnificent narrative unfolds with greater clarity and power as you engage with each day s reading With study notes and devotional questions each day you ll see the unfurling of God s work among his people Even better you ll also see your place in God s grand story Key features include 365 daily readings in chronological order Daily introductions Daily discovery questions for personal reflection and application Easy to follow 14 era format with era overviews Articles on biblical themes The clear and accurate New Living Translation Offering the One Year format in historical order and enhanced by in depth notes The One Year Chronological Study Bible is perfect for both daily devotions and deep engagement with the Word of God Let this Bible help you get to know God s story in a whole new way The New Living Translation is a clear and accurate English translation of the Bible It s easy to understand and it conveys the precise meaning of the original languages in a flowing effortless writing style that promotes accessible and meaningful reading **Leaves of Healing** ,1929 The Women's Study Bible Mary J. Carter,2012-09-01 After the passage of sweeping civil rights and voting rights legislation in 1964 and 1965 the civil rights movement stood poised to build on considerable momentum In a famous speech at Howard University in 1965 President Lyndon B Johnson declared that victory in the next battle for civil rights would be measured in equal results rather than equal rights and opportunities It seemed that for a brief moment the White House and champions of racial equality shared the same objectives and priorities Finding common ground proved elusive however in a climate of growing social and political unrest marked by urban riots the Vietnam War and resurgent conservatism Examining grassroots movements and organizations and their complicated relationships with the federal government and state authorities between 1965 and 1968

David C Carter takes readers through the inner workings of local civil rights coalitions as they tried to maintain strength within their organizations while facing both overt and subtle opposition from state and federal officials He also highlights internal debates and divisions within the White House and the executive branch demonstrating that the federal government's relationship to the movement and its major goals was never as clear cut as the president's progressive rhetoric suggested Carter reveals the complex and often tense relationships between the Johnson administration and activist groups advocating further social change and he extends the traditional timeline of the civil rights movement beyond the passage of the Voting Rights Act
