Good Questions Have Small Groups Talking Josh Hunt, 2012-11-06 Which would you rather attend a boring lecture or a lively small group discussion How do you turn some quiet bump on a log into a lively small group discussion Ever attended a group and the leader tried to create a lively small group discussion and it went badly How embarrassing for her and painful for us Awkward If you believe discussion is the best way to lead a small group this book is for you In this practical book you will learn the skillful use of twelve types of questions that have groups talking Hi I am Josh Hunt the author of Good Questions Have Groups Talking I have written more small group lessons than any human living or dead I write four lessons a week and have done so for years I have written literally thousands of lessons In this book I will walk you through step by step how I write small group lessons that have groups talking My lessons are called Good Questions Have Groups Talking Here are some of the lessons we will cover Life exposure question This question is about the student not about the Bible It gets everyone started talking and allows the small group to get to know one another Example state your name and where were you in the birth order of your family What does the text say Ask these fast They are not as interesting as the ones that follow Still you have to know what the text says before you can understand what it means What does the text mean This is classic Bible study We need to spend some time here but not too much Jump ball question This is the heart of the discussion Truth is often a mid point between two extremes Jesus said be careful not to do your acts of righteousness before men to be seen of them and Let your light so shine before men that they may see your good works and glorify your father who is in heaven Question are we to do our acts of righteousness publically so people can see What are ten ways we could apply this to our lives Application questions are different from commitment These are things you could do not things you necessarily will do Example what are ten ways a man could express love to his wife How will it benefit me if I do What will it cost me if I don t These twin questions are based on this truth explored at some depth in the book it is always in our best interest to live the Christian life God is good Following Him is good God is a rewarder We cannot come to him unless we believe that You must come to love the Christian life or you will never come to live the Christian life Commitment question what do you want to do about what you heard today These are only half the questions discussed in the book There are 12 types of questions in all that I explore *Good Questions Have Small Groups Talking* -- *Know Why You Believe* Josh Hunt, 2012-12-12 7 ready to use Bible Study lessons on the topic Know Why You Believe Each Bible Study lesson consists of 20 or so ready to use questions
