Got High Concept? Lori Wilde, 2013-08 Do you want to dazzle editors Earn a bigger advance Create media buzz for your book Inspire Hollywood to come knocking The way to achieve these goals is to come up with a dynamic high concept pitch that will knock the socks of editors and agents alike This workshop is designed to provide you with the tools you ll need to mold your story idea into an intriguing one sentence pitch that can magically unlock closed doors It s simply the most effective way to capture a publisher s interest This is the perfect opportunity for you to learn how to craft a high concept pitch to sell your book This book will cover the following topics 1 A step by step method for creating a high concept 2 First aid for low concept books 3 Ways to make a high concept even better 4 Where to find high concept ideas 5 How to think like a high concept writer 6 Creativity and brainstorming exercises 7 Hints and tips from top industry insiders The Novel as Network Tim Lanzendörfer, Corinna Norrick-Rühl, 2020-09-23

The Novel as Network Forms Ideas Commodities engages with the contemporary Anglophone novel and its derivatives and by products such as graphic novels comics podcasts and Quality TV This collection investigates the meaning of the novel in the larger system of contemporary media production and post print culture viewing the novel through the lens of actor network theory as a node in the novel network Chapters underscore the deep interconnection between all the aspects of the novel between the novel as a literary form as an idea and as a commodity Bringing together experts from American British and Postcolonial Studies as well as Book Publishing and Media Studies this collection offers a new vantage point to view the novel in its multifaceted expressions today *Who Gets to Write Fiction?* Ariel Sacks, 2023-10-03

Writing and sharing fiction allows adolescents to glimpse other lives The current curricular emphasis on analytical writing can make it feel risky to teach creative writing in ELA classrooms But the opportunity to write fiction in school opens many doors for young people doors the author argues are critical to the development of our students our education system and even our democracy This book will delight English teachers weary of focusing relentlessly on argument and information writing Veteran teacher Ariel Sacks vividly describes the many academic social emotional and community building advantages of teaching imaginative writing in the classroom not least of which is the impact it has on equity for marginalized students Her book is a teacher to teacher text that folds in detailed practical guidance about how to design lessons and meet standards while presenting a powerful central argument that the writing of fiction should be treated not as a luxury for some but as a center of the English curriculum for all students **Children's**
