book readers are able to discover some of the things that were not very clear in the movie. For example, the distractions and confusion affecting Christian are well explained in the book the way he struggles to maintain his relationship with Anastasia while still running the business flawlessly. Grey is not just an erotica but also entertaining and educating. E. L. James used symbolic dreams in the most beautiful way to narrate the story. Character's thoughts are distinctly italicized all though to make it easy for the readers to differentiate. Grey is highly recommended for adult audiences.

James offers a fresh perspective on the love story that has enthralled millions of readers around the world. All three books in the phenomenally bestselling Fifty Shades trilogy Grey, CHRISTIAN GREY exercises control in all things; his world is neat, disciplined, and utterly empty until the day that Anastasia Steele falls into his office in a tangle of shapely limbs and tumbling brown hair.
