Grieving Gods Way The Path To Lasting Hope And Healing:

Grieving God's Way Margaret Brownley, 2004-01-24 IF It's been six months A year Two years or more And you still feel Depressed Joyless Lost Alone IF You're afraid to tell anyone That you're still grieving For fear they'll think you're crazy If you feel the need to hide your feelings behind A smile and try to pretend everything is okay Then what you're feeling is perfectly normal Did you know that it can take as long as five years or more for a person to adequately work through grief But because we live in a fast paced society we often sweep grief under the rug or ignore it altogether Medical experts now know that unresolved grief can cause such health problems as headaches depression back pain and even heart disease and cancer Grieving God's Way is a book made to order for the grieving spirit It will help you gain new insight into the grieving process gain more appreciation for friends and family and come to understand God's plan for healing heart and soul It may even help cure your back

Grieving God's Way Margaret Brownley, 2012-07-09 The loss of a loved one is devastating and the grief that follows is often crippling While modern Western culture has adopted an aren't you over it yet attitude toward death and the grief it brings the grieving process can take years Weeks and months go by with no visible improvement We might even wonder if God has forsaken us Then one day it happens We laugh We feel connected restless maybe even hopeful We're no longer consumed by our loss and our thoughts turn outward These are the first signs of healing Though the tendency in our fast paced society is to suppress our grief or ignore it all together Grieving God's Way inspires a different course of action In this 90 day devotional Margaret Brownley provides the framework for a methodical grieving process that follows God's plan Grieving God's way requires us to trust that He will lead us through the darkness heal our pain take away our weariness and fill our hearts with hope peace and new purpose From defining what grief is to validating its importance Brownley gives us the components necessary to find God within our sorrow and grieve with Him Divided into four sections Grieving God's Way offers insight into healing our grieving body soul heart and spirit Infused with scriptures and inspirational haiku by Diantha Ain this book motivates us to shift our grieving from man's way to God's way slow and often invisible but with truly amazing results So how long does it take to grieve As long as it takes God to heal God is Enough M.E. Louis, 2017-12-03 Where do you go when life as you know it is turned completely upside down It happened to me The life I knew and loved vanished on August 7 2013 when my college sweetheart and husband of 33 years chose to end his life There are not words to describe my shock and devastation Though I was surrounded with wonderful loving people none of them could restore the half of me that died that day This was a God sized task This is my journey through shock grief mourning and healing It is the very personal and profound journey I took to ultimately discover that no matter how deep your pain God is always there and He is enough If you are grieving God Is Enough will give you hope I understand what you are going through and I am here to share my message of hope healing and faith *Doing It Well* Joanne Schreuders, 2024-12-16 Do you or does someone you know have cancer Do you want to know how you can help make this rollercoaster ride a little easier Jim did it well Leaning on God Jim
