

Service Manual

Groundsmaster 52

PREFACE

This Service & Overhaul Manual was written especially for TORO GROUNDMASTER® 52 Mowers. All models produced since 1977 are taken into consideration in this book.

The Toro Company had made every effort to make this service manual a useful and lasting addition to every service facility. To assure proper and effective service, and to provide optimum performance for the life of the machine, you are urged to read this manual carefully.

It is not the purpose of this manual to teach component theory, but rather to provide the mechanic with a working guide of maintenance, troubleshooting, test, repair, and overhaul procedures.

The Toro Company reserves the right to change product specifications or this manual without notice.

The Toro Company gratefully acknowledges the assistance provided by the following companies: Briggs & Stratton Corporation, Dana Corporation, Sundstrand Hydro-Transmission, Saginaw Steering Gear Division of General Motors Corporation.
