Post Office Clerk-carrier Eve P. Steinberg,1982 **Recruiting Applicants for the Public Service** Civil Service Assembly of the United States and Canada,1942 **Holding Bureaucrats Accountable** Lana Stein,1991 Lana Stein looks at the taxing question of how to make bureaucracies responsible to elected officials Stein carefully scrutinizes St Louis bureaucracy distinguishing those agencies that are responsive to elected officials from those that are not On the responsive side for example she cites the Traffic Division of the Department of Streets which has erected about 1 000 four way stop signs compared to 34 in Kansas City because the aldermen responding to parents concerned about the safety of their street crossing kids demanded them Similarly she finds that building inspectors are responsive to aldermen s requests that individual buildings receive priority attention To tenants worried about unsafe living conditions that s an important and meaningful gesture **Civil Service Commission, Federal Civil Defense Administration, General Services Administration, National Capital Housing Authority, National Science Foundation, National Security Training Commission, Renegotiation Board, Selective Service System [and] Veterans Administration** United States.
