**Grudging** Michelle Hauck,2015-11-17 A lyrical tale of honor and magic Grudging is the opening salvo of Michelle Hauck's the Book of Saints trilogy that combines the grace of Ellen Kushner's Swordpoint with the esprit de corps of Django Wexler's Shadow Campaign series A world of chivalry and witchcraft and the invaders who would destroy everything The north has invaded bringing a cruel religion and no mercy The ciudades estados who have stood in their way have been razed to nothing and now the horde is before the gates of Colina Hermosa demanding blood On a mission of desperation a small group escapes the besieged city in search of the one thing that might stem the tide of Northerners the witches of the southern swamps The Women of the Song But when tragedy strikes their negotiations all that is left is a single untried knight and a witch who has never given voice to her power And time is running out *The Book of Saints* Nino Ricci,1991 Set in a tiny Italian village dark lyrical hypnotic first novel *the latter-day saints millennial star volume xli* ,1879 **The Leamington**

**Italian Community** Walter Temelini,2019-07-18 The Leamington Italian Community intertwines personal and family stories with both empirical and intuitive writing to offer new historical insights into the complex social economic and psychological causes and effects of the migration phenomenon Walter Temelini meticulously reconstructs the history of immigration and settlement in Leamington Ontario of Italians from the southern regions of Lazio Molise and Sicily He explains how despite their regional differences three generations between 1925 and the 1990s forged a cohesive socially conscious and unique agricultural community by balancing their inherited values and their newly adopted Canadian economic opportunities Temelini's groundbreaking research draws on testimonial and documentary evidence gathered from in depth interviews with hundreds of residents as well as on original archival information and Italian language histories translated by the author and previously unavailable to English speaking readers He concludes his study with an investigation into the award winning novel *Lives of the Saints* by Nino Ricci one of the community's most celebrated descendants Drawing parallels between Ricci's narrative and the development of the community Temelini demonstrates that ethnicity can be transformed successfully into a powerful universal archetype and a creative force of identity A pioneering and authoritative work The Leamington Italian Community creates an intimate portrait within a global framework delving into issues both timely and timeless that will interest and inform the general and specialized reader alike **The Latter-Day Saints' Millennial Star** ,1855 The
