If you do not have a comprehensive HIPAA compliance program in place, getting your people through a basic training program and documenting that fact should not be delayed while you develop your policies, procedures, and advanced training programs. This manual should not be substituted for a comprehensive ongoing training program where advanced training is provided for company-specific procedures or specific job responsibilities. Please be advised, however, that NO training program, no matter how expensive or extensive, can guarantee that any individual auditor or investigator will approve your efforts.
