Historical Dictionary of the IMF Norman K. Humphreys, 2000-06-28 IMF economists work closely with member countries on a variety of issues Their unique perspective on country experiences and best practices on global macroeconomic issues are often shared in the form of books on diverse topics such as cross country comparisons capacity building macroeconomic policy financial integration and globalization *Historical Dictionary of the International Monetary Fund* Sarah

Tenney, Norman K. Humphreys, 2011-05-01 In its more than 65 years of existence the International Monetary Fund has evolved from a small obscure international agency with new and uncertain responsibilities into a powerful institution that today has assumed center stage in the international monetary system It is a remarkable story of how an institution has developed and adapted itself to an evolving world and a changing membership in ways that perhaps no other international agency has been forced or able to do The third edition of the *Historical Dictionary of the International Monetary Fund* provides a comprehensive overview of the fund including a chronology an introductory essay appendixes a bibliography and over 300 cross referenced dictionary entries on the organizations significant leaders founders and members This book is an excellent access point for students researchers and anyone wanting to know more about the International Monetary Fund

Salda, 2013-10-30 When it was founded back in 1944 no one could possibly have foreseen how the World Bank known more formally as the International Bank for Reconstruction and Development IBRD would flourish Today with 188 members it is by far the largest lender for projects in agriculture health infrastructure and many other fields in developing countries around the world with a budget of billions of dollars and a staff of more than 9 000 and its advice is usually heeded by both the developing countries which borrow from it

and the advanced ones which contribute This second edition of the Historical Dictionary of the World Bank shows the substantial progress the Bank has made this mainly through the dictionary section with concise entries on its component institutions related organizations its achievements in various fields some of the major projects and member countries and its various presidents The introduction explains how the Bank works while the chronology traces the major events over nearly 70 years Meanwhile the list of acronyms reminds us just who the main players are And the bibliography directs readers to useful internal documentation and outside studies

Historical Dictionary of the IMF 2nd Edition International Monetary Fund,2000 Annotation IMF economists work closely with member countries on a variety of issues Their unique perspective on country experiences and best practices on global macroeconomic issues are often shared in the form of books on diverse topics such as cross country comparisons capacity building macroeconomic policy financial integration and globalization

Historical Dictionary of The Gambia David Perfect,2016-05-27 When The Gambia achieved its independence from Great Britain on 18 February 1965 as mainland Africa s smallest state its future seemed uncertain It retained this status for nearly 30 years An attempted coup d tat in July 1981 was put down but ironically when other African states were returning to democratic government Gambian democracy finally succumbed to a military coup on 22 July 1994 While civilian rule was restored in 1996 full democracy was not and a number of subsequent presidential and parliamentary elections have been far from free and fair while The Gambia s human rights record has been very poor since 1994 This fifth edition of Historical Dictionary of The Gambia contains a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about The Gambia

Sullivan, 2017-11-08 The Historical Dictionary of the Chinese Economy covers the world's second largest macro economy Extensive attention throughout the volume is given to the historical development of the Chinese economy since the establishment of the People's Republic of China PRC in 1949 Included is a review of developments during the period of central economic planning adopted from the Soviet Union 1953-1978 and in depth information and analysis on the various policies and fundamental changes brought about in China by the inauguration of economic reforms from 1978-1979 through 2016 This book contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on critical sectors of the economy including automobiles banking and finance national currency economic regulation trade and investment and important industries such as agriculture computers and electronics iron and steel real estate and shipping This book is an excellent resource for students researchers and anyone wanting to know more about China's economy **Historical Dictionary of the Financial System in China** Lawrence R. Sullivan, Nancy Liu-Sullivan, 2024-10-21 Major themes in the history of finance in China reflect the persistent tension between a powerful state guiding the economy versus vibrant market forces operating according to basic commercial principles Included is the continuity and discontinuity of financial developments in imperial and modern history creation of a modern banking system beginning in the late nineteenth century and emergence of complex and sophisticated financial institutions and products since the introduction of economic reforms in the People's Republic of China in 1978-1979 The Historical Dictionary of the Financial System in China contains a chronology an introduction and an extensive bibliography The dictionary section has more than 300 cross referenced entries on important financiers entrepreneurs and government officials involved in finance large state owned banks SOBs state owned enterprises SOEs hedge funds exchange traded funds and asset management companies This book is an excellent resource for students researchers and anyone wanting to know more about the Chinese financial system **Historical Dictionary of the Sudan** Robert S. Kramer, Richard A. Lobban Jr., Carolyn Fluehr-Lobban, 2013-03-22 The Republic of the Sudan was long the largest country in Africa and according to the general consensus also one of the least successful in many ways This was not entirely its fault since it lay along the fault line between Muslim and Christian Africa and between the Nile Valley civilizations and African Sudanic cultures This partly explains the long and bloody warfare waged by the Southerners to achieve independence

which they did in July 2011 So this hefty book actually covers not one but two states This fourth edition of the Historical Dictionary of the Sudan does so first through a lengthy and detailed chronology tracing its relatively few successes and numerous failures The introductory essay does an admirable job of putting it all in perspective But the most informative part is the dictionary with now over 700 entries for this fourth edition They deal with important personalities politics the economy society culture religion and inevitably the civil war There are also appendixes and an extensive bibliography

Historical Dictionary of the International Monetary Fund Norman K. Humphreys, 1999 The entries in the Dictionary describe the economic and financial concepts employed by the Fund its operational policies and facilities its departmental structure and staffing and its decision making authority including the system of weighted voting by member countries This volume fully updates and expands the 1993 edition while maintaining the author's commitment to thoroughness and accuracy

Historical Dictionary of International Organizations in Asia and the Pacific Derek McDougall, 2014-10-01 Historical Dictionary of International Organizations in Asia and the Pacific Second Edition covers global international and regional organizations in Asia and the Pacific and encompasses both governmental and non governmental organizations This second edition covers the history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 200 cross referenced entries on important personalities thematic topics and major international issues affecting the region This book is a valuable tool for anyone seeking details about international organizations in Asia and the Pacific and the international context within which those organizations function
