The Oxford History of Classical Reception in English Literature David Hopkins, Charles Martindale, Norman Vance, Rita Copeland, Patrick Cheney, Jennifer Wallace, Philip R. Hardie, 2012 The Oxford History of Classical Reception OHCREL is designed to offer a comprehensive investigation of the numerous and diverse ways in which literary texts of the classical world have stimulated responses and refashioning by English writers Covering the full range of English literature from the early Middle Ages to the present day OHCREL both synthesizes existing scholarship and presents cutting edge new research employing an international team of expert contributors for each of the five volumes OHCREL endeavours to interrogate rather than inertly reiterate conventional assumptions about literary periods the processes of canon formation and the relations between literary and non literary discourse It conceives of reception as a complex process of dialogic exchange and rather than offering large cultural

generalizations it engages in close critical analysis of literary texts It explores in detail the ways in which English writers engagement with classical literature casts as much light on the classical originals as it does on the English writers own cultural context This fourth volume and second to appear in the series covers the years 1790 1880 and explores romantic and Victorian receptions of the classics Noting the changing fortunes of particular classical authors and the influence of developments in archaeology aesthetics and education it traces the interplay between classical and nineteenth century perceptions of gender class religion and the politics of republic and empire in chapters engaging with many of the major writers of this period **Pamphlets and Reprints** Howard Mumford Jones,Paul Van Brunt Jones,Samuel Arthur Jones,1924

The Early English Baptists, Vol. 1 (Classic Reprint) B. Evans,2017-11-05 Excerpt from The Early English Baptists Vol 1 The first attempt at a history of the denomination was made by Thomas Crosby He was a deacon of the church in Goat Street over which the excellent Benjamin Stinton presided and kept a school in Southwark His work is in four volumes and is now somewhat scarce Materials for a similar work had been collected by his pastor These he placed in the hands of the celebrated historian of the Puritans The unfair use scarcely indeed the use at all of the information by Mr Neal induced the author to write and issue his work There is much valuable information of men and events of one of the darkest and most humiliating periods of our national history contained in this work Crosby was probably conversant with some of the sufferers His intimacy with the leading ministers in the metropolis was close Keach and others had ministered to the church with which he was officially connected From men competent to speak he has told us much which otherwise would have been lost To the future historian this writer s work will always be of value Next in this field of denominational literature appeared Mr A Taylor His work is in two volumes and was issued more than half a century ago It is avowedly a History of the English General Baptists It contains a mass of important information in reference to this increasing section of the body especially of the New Connexion formed principally by the late Dan Taylor Many of Mr Taylor s conclusions will be found more than vindicated by the documents which will appear in this and the subsequent volume About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **A Catalogue of Divinity, Sermons, Classics, History, Topography, and Miscellaneous Literature, Including the Library of the Late Rev. The Making of the 1963 Baptist Faith and Message A. J. Smith,2008-08-05 Questions regarding the orthodoxy of Dale Moody and Ralph Elliott propelled the Southern Baptist Convention SBC toward a re evaluation of its doctrinal statement the Baptist Faith and Message BFM The SBC adopted this document in 1925 under the leadership of E Y Mullins when faced by the challenge of modernism This dissertation argues that the 1962 Committee on Baptist Faith and Message produced a document that expressed subtle shifts in Baptist theology This shift had the effect of assuring the conservative base while allowing enough latitude in interpretation for those serving in the academy to teach more progressive views After a first introductory chapter chapters 2 and 3 trace the historical developments leading to the formation of the Committee Biblical inspiration and interpretation were key concerns but as chapter 3 demonstrates other concerns drew the attention of the Committee Chapters 4 and 5 deal with the ever sensitive issue of the relationship between Baptist confessionalism soul liberty and soul competency Each chapter examines how Baptist confessionalism functioned in relation to these concepts Chapter 6 examines in detail the work of the Committee itself and looks at those persons or groups who influenced the outcome of the Committee's work Of special note are the contributions made by Wayne Ward Leo Garrett the religion faculty of Mercer University and the theology faculty of Southern Seminary Chapter 7 examines four areas where the 1963 BFM altered the confessional expression of Baptist doctrines 1 Scripture 2 Man 3 Salvation 4 The Church Chapter 8 is the conclusion Four appendices contain early drafts of the Committee's work *The Baptist Record, and Biblical Repository*,1845 *To Express the Ineffable* Cynthia Y. Aalders,2009-04-01 Anne Steele 1717 1778 was one of the most well known and best loved hymn writers of the eighteenth century and her hymns remained exceedingly popular until late in the nineteenth century being reprinted regularly in hymnbooks throughout Britain and North America She was the first major woman hymn writer as well as the most popular Baptist hymn writer in the history of the church Despite this she has been largely neglected as a subject of academic enquiry until now This book aims to elucidate Steele's spirituality and to clarify

her unique contribution to eighteenth century hymnody It takes an interdisciplinary approach setting Steele s devotional expression in its theological literary and historical contexts and providing comparison to other eighteenth century figures It uses archival sources to reconstruct her life and work offers a close reading of her verse and concludes that Steele made a significant and as yet underrated contribution to eighteenth century devotional expression Recycling the Past or Researching History? Philip E. Thompson,Anthony R. Cross,2007-10-01 Recycling the Past or Researching History brings together an international group of Baptist scholars who explore various issues in Baptist historiography and myths Contributors examine and re examine areas of Baptist life and thought about which either little is known or the received wisdom is in need of revision Historiographical studies include the date Oxford Baptists joined the Abingdon Association the death of the Fifth Monarchist John Pendarves eighteenth century Calvinistic Baptists and the political realm confessional identity and denominational institutions Baptist community ecclesiology the priesthood of all believers soteriology Baptist spirituality Strict and Reformed Baptists the role of women among British Baptists while various myths challenged include the nature of high Calvinism in eighteenth century England baptismal anti sacramentalism episcopacy and Baptists and change The common theme tying these studies together is that research into Baptist history should deal with the primary sources and not as has too often been the case rely uncritically on the scholarship of previous generations **The British Library General Catalogue of Printed Books to 1975** British Library,1985
