Eindelijk heb je ons gevonden Edgar Selge, 2022-11-08 Dit is het verhaal van een Duits gezin dat gevangen zit tussen burgerlijke pretenties klassieke muziek en huiselijk geweld Centraal staat de complexe relatie tussen de twaalfjarige Edgar en zijn vader dr Selge een gevangenisdirecteur Vader is een ouderwetse patriarch die over het gezin heerst met ijzeren vuist maar die ook een gevoelige artistieke kant heeft en regelmatig huisconcerten voor gevangenen geeft Steeds duidelijker begint zich een generatieconflict af te tekenen Edgars oudere broers confronteren hun vader met het feit dat hij vriendschappelijke betrekkingen onderhield met geïnterneerde Duitse officieren die waren veroordeeld voor vreselijke oorlogsmisdaden tijdens de Tweede Wereldoorlog

Caught by History Ernst van Alphen, 1997 In the face of strong moral and aesthetic pressure to deal with the Holocaust in strictly historical and documentary modes this book discusses why and how reenactment of the Holocaust in art and imaginative literature can be successful in simultaneously presenting analyzing and working through this apocalyptic moment in human history In pursuing his argument the author explores such diverse materials and themes as the testimonies of Holocaust survivors the works of such artists and writers as Charlotte Salomon Christian Boltanski and Armando and the question of what it means to live in a house built by a Jew who was later transported to the death camps He shows that reenactment as an artistic project also functions as a critical strategy one that unlike historical methods requiring a mediator speaks directly to us and lures us into the Holocaust We are then placed in the position of experiencing and being the subjects of that history We are there and history is present but not quite A confrontation with Nazism or with the Holocaust by means of a reenactment takes place within the representational realm of art Our access to this past is no longer mediated by the account of a witness by a narrator by the eye of a photographer We do not respond to a representation of the historical event but to a presentation or performance of it and our response is direct or firsthand in a different way That different way of keeping in touch is the subject of inquiry that propels this study
